

HEBRON HIGH SCHOOL

STUDENT PARKING

2025-2026

All vehicles will require parking stickers. Vehicles without stickers may not be allowed to enter the student parking lot. The sticker should be affixed inside the vehicle on the lower corner of the front window on the driver's side.

When a student's parking sticker is placed in a vehicle, that student accepts responsibility for the vehicle, its contents, where it is parked, and how it is driven while on campus.

All vehicles parked on school property, at a school function, or within statutory boundaries designated as being under control of the school are subject to school policies and regulations. These include the right to search for prohibited and/or dangerous substances, weapons, or anything that presents a clear and present danger to the safety and welfare of the students and staff. Your car must be parked in a lined parking space. You may not park in unmarked areas, grassy areas, reserved areas, or teacher parking. If you start driving a different car, or need additional information concerning parking and regulations, refer to our social media, or contact Mrs. Hensley (hensleya@lisd.net) or Mrs. Freeman, Suite A. Please see the Senior Sponsors, Ms. Asmar or Ms. Essary, for inquiries related to Senior painted spots.

NO PARKING AREAS FOR STUDENTS INCLUDE:

1. ANY area posted "No Parking"
2. The circular drive-in front of HHS
3. Faculty parking lot or numbered faculty spaces - including, but not limited to, Hebron 9 parking, including the spaces behind the school at the bottom of the hill.
4. Driveways, sidewalks, medians, or grassy areas
5. Designated fire lanes and bus lanes
6. Private property directly across from or on any side of the campus
7. Along the athletics driveway or in any parking spots leading to the Spring Field House
8. At the end of any row of legally parked cars. **You must have a painted line on both sides of your car**
9. Handicapped parking (without a proper permit)
10. Senior reserved parking spaces. Administration will decide the appropriate consequences
11. Anywhere there are painted "hash lines" that indicate it is a no-parking zone

STUDENT PARKING ON CAMPUS IS A REVOCABLE PRIVILEGE. VIOLATIONS WHICH MAY LEAD TO LOSS OF PARKING PRIVILEGES INCLUDE BUT ARE NOT LIMITED TO:

1. FAILURE TO PURCHASE A CURRENT PARKING STICKER
2. Speeds over 10 m.p.h., reckless driving, excessive acceleration, and spinning of tires
3. Insubordination or disrespectful behavior towards school administration, security guards, or faculty
4. Transferring, selling, or changing the appearance of a parking sticker
5. Leaving campus without permission
6. Exiting the campus through a prohibited door
7. If you have a senior parking space, you may not share it with another person
8. If someone else parks in your reserved spot, you may not park in someone else's reserved spot. Park in unnumbered general parking and report to Administration in Suite A
9. Any other driving/parking activity deemed inappropriate or detrimental to students or others

If a student drives a vehicle without a sticker on an occasional or emergency basis, the student must notify Mrs. Hensley (hensleya@lisd.net) or Mrs. Freeman in Suite A immediately. A temporary parking pass will be issued for no more than 5 days.

Students who need to get items from their vehicles must obtain a pass from an assistant principal to go to the parking lot. Security officers in the parking lot will check students leaving and re-entering the building during school hours.

PLEASE BE AWARE THAT DRIVING YOUR VEHICLE ON CAMPUS INDICATES THAT YOU UNDERSTAND AND WILL ABIDE BY THESE RULES. AN EXCUSE OF "I DIDN'T KNOW ABOUT THE RULES" IS NOT AN ACCEPTABLE DEFENSE FOR VIOLATING THEM. WHEN IN DOUBT, ASK AN ADMINISTRATOR OR THE OFFICER ON DUTY IN THE PARKING LOT.
