 Student Notes: 11/5/2020- Nikki Staton called and stated that driver bus#86 Kim Thomas drove past her childs stop without picking up Adrian. I contacted the driver and she informed me that the student had not been riding so she didnt stop. I instructed driver to always go to the stop just in case student rides that day and to also contact the parent to find out the days that student does ride if she isn't sure.I contaced mother and left a VM.PDS
