Sponsorship Information & Opportunities

2025-2026

The Missouri School Public Relations Association (MOSPRA) is pleased to provide information to businesses wishing to support the work of school communications professionals. MOSPRA offers three primary levels of full-year sponsorships as well as other opportunities to share information about your company with our members. Ultimately, the greatest return on your investment is spending time with membership. MOSPRA prides itself in being a very welcoming association and we respect the support educationally-minded businesses share with us.

ASSOCIATION

Fall Conference Information

MOSPRA holds its Fall Conference annually in late October or early November. The event rotates between Kansas City, St. Louis and Springfield. The conference is a two-day event starting on Thursday morning with a pre-conference workshop, followed by a full afternoon of conference activities. On Thursday night, MOSPRA hosts an “evening out” event. Friday morning includes additional conference activities including a “Sponsor Gold Mine.” The conference concludes Friday at noon.

MOSPRA also accepts “conference only” sponsorships.

As sponsors will see on the “Return on Investment” table, there are multiple opportunities to share time with MOSPRA members.

Spring Conference Information

MOSPRA holds its Spring Conference jointly with the Missouri Association of School Administrators (MASA). MASA is the lead association for the conference and they oversee much of the planning and marketing of the event. MASA also exclusively oversees the Exhibit Hall, and businesses who wish to have a booth must contact MASA.

Business Sponsors who wish to attend the conference, including meals and special events, must register for the event. MOSPRA Business Sponsors should note on the registration that they are “members” of MOSPRA which will assure they are attending the MOSPRA Awards Banquet and Friday Special Breakfast.

MOSPRA will recognize all business sponsors throughout the conference including at our events and in conference-related materials.

To contact MASA, call 573.638.4825 or email melissa.shannon@mcsa.org.

Regional Meetings and Special Workshops

MOSPRA has four regions: Eastern (primarily the St. Louis area and the southeast portion of the state); Western (the Greater Kansas City area, west central Missouri, and northwest Missouri); Mid-State (much of central Missouri, but also stretching into northeast and south central Missouri); and the Ozark Region (most of southwest Missouri). Full-year sponsors have opportunity to be part of those meetings. (Please see the ROI table for more information.) Regional membership varies as does the number of meetings held each school year.

MOSPRA Regional meetings are occasionally held virtually, and sponsors may inquire about being part of those events as well. Likewise, MOSPRA holds statewide Zoom presentations on occasion, and we welcome sponsorship of those sessions. Please contact MOSPRA to learn more about being part of these sessions. We typically limit sponsorship to one or two businesses per event.

Workshops and Other Events

MOSPRA holds several workshops and other events throughout the year that may fall outside of the full-year membership ROI. Businesses interested in sponsoring these events should contact the Executive Director.

- One-Person Office Strategic Planning.
- APR Study Group (Virtual Meetings)
- Sub-Regional “Rogue” Meetings
- Solo-Pros Statewide and Regional Zoom/Google Meet meetings
- Sponsor-hosted Webinars
- NSPRA-related gatherings (held as part of the NSPRA National Seminar)
- Membership Team Building Events
- Special Board & Leadership Meetings
- Select Online Professional Development Sessions
