A charge will be made for textbooks/library books lost or damaged beyond the accepted standard.

Extra-curricular Activities and School Campus

We understand the value of extra-curricular activities in helping to provide a well-rounded and balanced school experience. Some activities are free of charge, other options incur an additional charge. ISD parents should direct any payment inquiries to the Finance Office.

Exam Fees

External exam fees, for students taking these options, are in addition to the school fees with ISD taking these payments directly for the full IB Diploma Programme.

PROCEDURES

Refund Policy

All fees are non-refundable after the start of school classes.

Late Fees

Should any tuition fees be paid after the payment due date noted on the invoice, a late fee of \$250 will be charged for each student in the first month and an additional \$250 in the second month.

The late payment of tuition fees will result in a student not being permitted to attend school until the fees and penalty payment are received in full.

Non-payment of Fees

Students whose fees are not fully paid by the due date will be excluded from their classes. Student records and progress reports will not be released to parents or to any other educational institutions until all outstanding fees are paid in full.
