**OFF-CAMPUS LUNCH**  
**AUTHORIZATION**

The Worthington Kilbourne lunch procedure requires each year that parent(s) of Juniors and Seniors indicate the permission that shall govern use of the lunch period. Please clarify the options offered – stay on campus or permission to leave campus – with your student and check off on the authorization form the type of lunch period for which you give parental permission.

----- My 11<sup>th</sup>/12<sup>th</sup> grade student has my permission to leave campus **during lunch period only.**

----- My 11<sup>th</sup>/12<sup>th</sup> grade student has my permission to leave campus for both his/her lunch period and any option period (single or double) **that is connected to the lunch period.**

I understand that neither the Worthington School District, the Worthington Board of Education, nor any of its employees will be held responsible for my student when they are in transit or off-campus. I acknowledge that any off-campus lunch privilege is to be used responsibly by my student. If this privilege should interfere with school attendance or results in violations of the disciplinary code, my student's privilege for off-campus lunch may be revoked. The provisions of the student disciplinary code as printed in the Student Handbook will apply while off-campus for lunch.

During inclement weather conditions, it may be necessary for the principal to close open lunch and students will be expected to stay on campus during that time.

If my student transports an ineligible student off-campus during their open lunch, they will be subject to a consequence.
