

ANNUAL AHERA NOTIFICATION
WINCHESTER PUBLIC SCHOOLS
SCHOOL YEAR 2023/2024

Under the Federal Hazard Emergency Response Act(AHERA) of 1986, Winchester Public Schools(WPS) is required to provide written notification to parents or legal guardians, teachers, and employee organizations, of the availability and location of the Asbestos Management Plans and of any post-response action activities, including periodic re-inspection and surveillance activities that are planned or in progress.

During the 2023/24 school year, Winchester Public Schools will conduct a 3 year reinspection of asbestos and other AHERA related activities will include our 3-year re-inspection will occur in September 2023 and six month surveillance to be conducted in April 2024

During the 2023/24 school year, a 3-year re-inspection will occur in September 2023. This inspection is required under AHERA to maintain current information of the condition of materials within school buildings and in response actions for maintenance, renovation, and possible demolition. The 3-yr re-inspection will be completed by ECS Mid-Atlantic,LLC, which is an independent environmental consultant. The 3-year AHERA re-inspection of WPS facilities will occur again this school year in September of 2026.

The Asbestos Management Plans are available during normal business hours at Winchester Public Schools Central Administration Offices
