

Dear SCSDB Staff Members,

I hope you have had the opportunity to rest, recharge, and spend time with friends and family over the summer. Prioritizing self-care is so important—especially as we begin the demanding task of welcoming a new school year!

During the first weeks of school, we will again ask teachers to familiarize students with Canvas, our Learning Management System. In the event that students need to be away from campus for an extended period of time, they will need to be prepared to transition to remote learning using Canvas. At this point, we have no planned remote learning weeks but understand that circumstances may require us to change plans quickly.

We will hold an opening meeting on Monday, August 4 at 11:00 in Pulliam Auditorium (Walker Hall), followed by boxed lunches in the cafeteria. Outreach staff are welcome to attend this meeting, but it is not required. I will be sharing similar information with Outreach staff at your annual meeting on Wednesday, September 24. For campus staff, meeting/training schedules for the first week are posted on the SCSDB website. Consistent with previous years, we will hold Registration/Open House for day students on Friday, August 8. Registration/Open House for residential students will be on Sunday, August 10.

Thank you for your continued commitment to our students. I look forward to seeing you all soon!

Best wishes,  
Jolene
