The Cambridge International AICE Program is an international curriculum and examination program that prepares students to enter college, provides the skills needed to be successful in college and thereafter, and allow students to earn college credits and scholarships while in high school!

Why Choose AICE?

Global Perspectives

The Cambridge AICE program utilizes an international curriculum that is followed by over 10,000 schools in over 160 countries!

College Readiness

Students can earn up to 45 hours of college credits and be eligible for the Florida Bright Futures Scholarships!

Flexibility

We offer AICE- level courses. Students are able to build a curriculum which offers real choice and math/ science, language, and arts/humanities!

Important Info:

The AICE Diploma is based on competence in various subject areas. The curriculum was designed as preparation for college and university programs.

BENEFITS

- ⇒ Increased GPA
- ⇒ additional ways to qualify for Florida Academic scholarship Award/ Bright Future Scholarship
- ⇒ Possibility of earning college credit
- ⇒ Exposure to different methods of assessments with an emphasis on higher-order thinking and writing
- ⇒ Ability to direct your educational interests
- ⇒ Ability to compete for admission to most elite colleges and universities

What to Expect

- Students must pass 7 AICE exams from at least three subject groups and passed the core course Cambridge international AICE level Global Perspectives.

State University system recognizes AICE equally with AP and IB programs!
