Davison Community Schools

Where Kids Come First and Futures Begin

Connections ✣ Curriculum ✣ Opportunities

Dear Parents and Guardians:

Please take a moment to complete the attached form and return it to your student's school. The Education Benefits Form collects information needed to ensure the school receives state and federal funding for education programs. Without this information, Davison Community Schools could lose important funding for education programs that our students need. These supplemental grants and programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional staff (ex. Reading Interventionists, Math Tutors, Academic & Behavior Aids)
- Teaching supplies and materials
- Counselors and Social Workers
- School Nurses
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology

Why is Davison Community Schools requesting financial information?
The Education Benefits Form determines eligibility of a student or household. The total count of eligible students is used to determine the funding amounts that will be made available to a school. The more forms returned the better.

What do I need to do?
Please complete the attached form and return it to your child's school or our Food Services Department located in the Cardinal Station, 10183 Lapeer Road.

How will this information be protected?
In keeping with current practices, your information will be kept confidential and will not be shared with any staff other than those who process the applications.

What else might my student or household be eligible for?
Based on the information you provide on your Education Benefits Form, your child may qualify for other programs such as: edit list below based on your school/district programs

- Programs that provide food support
- Programs that provide field trip support
- Programs that provide school supplies or assist with school fees
- Programs that provide holiday support (Cool to Care holiday assistance program)
