**DUAL ENROLLMENT ARTICULATION AGREEMENT
BETWEEN THE UNIVERSITY OF FLORIDA BOARD OF TRUSTEES AND
FLAGLER COUNTY PUBLIC SCHOOLS**

THIS DUAL ENROLLMENT ARTICULATION AGREEMENT ("Agreement"), between the University of Florida Board of Trustees (the "University", or "UF"), a public body corporate of the state of Florida, and Flagler County Public Schools (the "District"), is entered into on this 7th day of March, 2023 for the purpose of enhancing learning opportunities for qualified high school students who are attending public high schools in Flagler County through the Dual Enrollment program, as encouraged by Section 1007.22 and 1007.271 of the Florida Statutes.

NOW IN CONSIDERATION OF THE FOREGOING, the mutual undertakings and benefits to accrue to both parties, UF and the District, collectively (the "Parties"), agree as follows:

I. TERM

The term of this Agreement commences on July 1, 2023, and continues until June 30, 2025 ("Term"), and if both Parties mutually agree, may be renewed for one (1) additional two-year period. This Agreement may be terminated, with or without cause, by either party upon thirty (30) day's advance written notice. Such termination shall not affect the rights and duties of the Parties under this Agreement with respect to the Dual Enrollment students enrolled in the then current UF academic semester.

II. PROGRAM REQUIREMENTS

- A. Purpose.** The purpose of Dual Enrollment is to allow acceleration of eligible secondary students while still enrolled in school to take courses offered by UF, through its online process, that count toward high school credit and toward a university degree.
- B. Length.** Participation in Dual Enrollment may not exceed two academic years. For the purposes of this agreement, students transition from one school year to the next in August of each year. Students are authorized to take up to 2 approved courses per semester and no more than 9 credit hours per semester.
- C. Credits.** Dual Enrollment credits may be in addition to the normal school load or a part of the student's regular load. The list of UF's eligible Dual Enrollment courses is available in **Appendix A**, which is attached hereto and incorporated herein by reference.
- D. Initial Eligibility Criteria.** UF agrees to permit students from the District, who have been certified by their school official as qualified, to enroll in the *approved dual credit courses*. UF retains the right to change the GPA and minimum test score requirements within its sole discretion. The District Liaison will be notified in writing if a change is made. Exceptions to these requirements may be granted on an individual basis if agreed upon in writing and signed by both Parties. Students participating in Dual Enrollment program must meet the following initial student eligibility requirements:
1. Enrolled in a course of study which will fulfill requirements for high school graduation;
 2. 3.6 cumulative unweighted high school GPA;
 3. One of the following minimum standardized test scores: composite PSAT 10/NMSQT score of 1130, composite SAT score 1100, or composite ACT score of 22;
 4. Satisfy any course prerequisites, including but not limited to placement exams; and,
 5. Meet any additional criteria set by the post-secondary institution, such as grade level requirements

E. Continuing Eligibility Criteria. Students who will graduate from high school prior to completion of the postsecondary course may not register for the course through Dual Enrollment. Exceptions to these requirements may be granted on an individual basis if agreed upon in writing and signed by both Parties. Dual Enrollment students are responsible for following UF's student code of conduct that outlines acceptable and unacceptable academic or behavioral misconduct for UF students.

(<https://sccr.dso.ufl.edu/policies/student-honor-code-student-conduct-code/>) The student code of conduct delineates appropriate disciplinary procedures and sanctions in the case of unacceptable behavior. Students may lose the opportunity to participate in the Dual Enrollment program if they are disruptive to the learning process; violate UF code of conduct or regulations and/or District rules; or violate federal, state, or local laws. In addition to the requirements above, to continue in the Dual Enrollment program, students must:

1. Maintain a 3.6 cumulative unweighted high school GPA, and
2. Maintain a 3.0 cumulative UF GPA as confirmed by the District and UF Registrar's Office.

F. Registration Procedures. All verifications and paperwork required for registration must be submitted to UF in accordance with guidelines and registration deadlines posted on the UF Dual Enrollment website. Appendix B, which is attached hereto and incorporated herein by reference, sets forth further details in connection with the registration procedure.

G. Withdrawal Procedures. All Dual Enrollment students are responsible for officially withdrawing from classes they are no longer attending in accordance with published University requirements and deadlines. Students who do not officially withdraw from a class will receive a failing grade. Such a failing grade becomes a part of their permanent transcript records and could have a negative effect on future college admissions, scholarship opportunities, and/or financial aid. All Dual Enrollment students are responsible for notifying their high school counselor, in writing, of their intent to withdraw from any Dual Enrollment course. Withdrawals will be processed by the Dual Enrollment office once written approval is received from the students' high school counselor. All student advising, including but not limited to posted withdrawal procedures, is the responsibility of the District.

H. Publicity. The District may not use UF's name, logos, trademarks or images or the name or image of any employee or official of UF in any fundraising, publicity, advertising or media release without the prior written consent of UF on each occasion, which may be given only by the UF Vice President for University Relations or designee. UF may not use the District's name, logos, trademarks or images or the name or image of any employee or official of the District in any fundraising, publicity, advertising or media release without the prior written consent of the District on each occasion.

III. ROLE OF THE UNIVERSITY

The University will:

- A. Publish deadlines and procedures on the Dual Enrollment website. (<https://dualenrollment.dce.ufl.edu>)
- B. Advise students of college level expectations and procedures as delineated in the attached Appendix C, which is attached hereto and incorporated herein by reference.
- C. Provide advising, as appropriate, to ensure proper course placement and selection.
- D. Notify the student of his or her grades as is regularly done with University students. In addition, a document will be sent via postal mail or an electronic transmission system to the District indicating work completed.
- E. Have a process in place for virtual instructors to comply with student IEPs and 504s plans.
- F. Assign a letter grade to each student enrolled in a Dual Enrollment course.
- G. Be responsible for making an annual report to the Commissioner of Education on the operation of the Dual Credit Enrollment program. The District will provide to the University any information requested to complete such reports.

H. Be responsible for monitoring the quality of curriculum to ensure that instruction is consistent with the University of Florida's policies and procedures.

IV. ROLE OF THE DISTRICT:

The District will:

- A. Verify the enrolled students are residents of the District and eligible for enrollment in accordance with Section 1007.271 Florida Statutes.**
- B. Verify that the high school student and his/her parent(s) or guardian(s) have been counseled on the advisability of taking one or more college courses while in high school and on the specific requirements of the Dual Enrollment program. Pre-registration advising will include the curricular expectations of university-level academic work that typically exceed the work required of high school courses. Pre-registration advising will also include information regarding UF's published add/drop policies and deadlines, as well as the impact of performance in Dual Enrollment courses, which become a part of a student's permanent college transcript and are calculated into the student's permanent postsecondary GPA.**
- C. Provide any required services to support a student's IEP consistent with the legal requirements for serving students with special needs.**
- D. Provide access to computers and equipment, with internet access as necessary.**
- E. Inform students and their parents about opportunities for students to participate in Dual Enrollment with the University.**
- F. Designate a District Liaison to act for the District in all matters pertaining to this Agreement and to accept and approve all deliverables and invoices.**
- G. Pay UF the standard tuition rate per credit hour plus the tuition differential set forth in UF Regulation 3.0375, as amended, from the Florida Education Finance Program funds to the University. The current amount is \$149.24 per credit hour for all District students enrolled. This rate is subject to change annually.**
- H. Reimburse UF for tuition for all students who are registered by the end of UF's Drop/Add period, within 30 days of receipt of the invoice. The District will have no obligation to pay tuition for summer terms.**
- I. Provide Dual Enrollment students, free of charge, required college textbooks and other instructional materials in accordance with Florida Statutes §1007.271(17). Instructional materials purchased by the District on behalf of Dual Enrollment students shall be the property of the District against which the purchase is charged.**
- J. Award high school credit for the course(s) upon successful completion by the Dual Enrollment student and assign grade points, equivalent to those for AP/IB/AICE courses. Courses not taken for a grade are ineligible for Dual Enrollment. The Dual Enrollment Course—High School Subject Area Equivalency List published by the Florida Department of Education mandates the minimum subject area credit awarded for specific courses taken through Dual Enrollment. Courses not appearing on this list will be awarded high school elective credit with 3 University credit hours translating to 0.5 high school credits.**
- K. Perform the initial screening and monitor student performance while participating in the Dual Enrollment program. The District's counselors will communicate, as needed, with UF Dual Enrollment staff in connection with student monitoring (and, if necessary, providing support for) while participating in the Dual Enrollment program.**

V. JOINT RESPONSIBILITIES

- A. UF and the District warrant and agree that all Dual Enrollment courses shall meet the provisions of the current State of Florida laws and regulations.**
- B. UF and the District will establish budgetary procedures to support specialized Dual Enrollment programs which will include the following provisions:**
 - 1. UF and the District will be eligible for Full-Time Equivalency (FTE) funding in accordance with Florida law and rules.**
 - 2. Dual Enrollment students are exempt from the payment of registration, tuition and, laboratory fees for**

courses taken through Dual Enrollment at Florida public colleges or universities.

C. **UF and the District will inform students and parents of the following:**

1. **Dual Enrollment college credit will transfer to any Florida public college or university offering a course with the same prefix and number. The course credit will be treated as though taken at the receiving institution.**
2. **If students do not, upon high school graduation, attend the same college or university where they earned the Dual Enrollment credit, the application of transfer credit to general education, prerequisite, and degree programs may vary at the receiving institution.**
3. **If students choose to enroll in courses that require placement exams, the students will not be required to pay for any/all placement exams.**

CL. MISCELLANEOUS PROVISIONS

- A. **Liability. To the extent permitted by Florida law, each Party agrees to be fully responsible for its acts of negligence or its agent's acts of negligence when acting within the course and scope of their employment under this Agreement.**

No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof.**
- F. **Annual Appropriation. The performance and obligations of both, the District and UF, under this Agreement, shall be contingent upon an annual budgetary appropriation by its governing body and/or the legislature. If either party does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by such party at the end of the period for which funds have been allocated upon written notice to the other party at the earliest possible time before such termination. No penalty shall accrue to such terminating party in the event this provision is exercised, and such terminating party shall not be obligated or liable for any future payments due or any damages as a result of termination.**
- G. **Excess Funds. Any party receiving funds paid under this Agreement agrees to promptly notify the other party of any funds erroneously received upon the discovery of such erroneous payment or overpayment and to refund such excess funds payment.**

- H. Governing Law and Venue. This Agreement shall be interpreted and construed in accordance with laws of the State of Florida. Accordingly, applicable UF instructional personnel will not require access to the District grounds nor require direct contact with secondary school students beyond the scope of its post-secondary curriculum delivered through its online process.
- M. Entirety of Agreement. This Agreement ratifies or modifies all other agreements between the District and UF that may affect Dual Enrollment. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. The language agreed to, herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other.

T. Amendments. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

U. Waiver. The Parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

V. Force Majeure. Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

W. Default. The Parties agree that, in the event that either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) days written notice to cure the default. However, in the event said default cannot be cured within said thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) days notice. Such termination shall not affect the rights and duties of the Parties under this Agreement with respect to the Dual Enrollment students enrolled in the then current UF academic semester.

X. Authority. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.
