

MySchoolBucks On-Line School Food Accounts

Dear Parent/Guardian,

More now than ever, please take advantage of the opportunity for students to reduce wait time on lunch lines and improve "touch-less" transactions at cash registers by eliminating the need for manual cash (or check) transactions for ala carte, snacks, and second meals.

Or simply to track and view your child's school meal choices & transactions.

Middle Country's MySchoolBucks® is a website that provides a number of key features that you will find beneficial including:

- Scheduled recurring school meal payments
- Automatic deposits when your child's account balance runs low
- Extended purchase history for the past 90 days (free)
- Low balance email notifications (free)
- NEW MOBILE APP purchase history for 30 days (free)
- **MySchoolBucks Charges a nominal fee per deposit. Fees can be minimized by making less frequent deposits.**
