2025 - 2026 SCHOOL PROFILE

West Chicago Community High School is a diverse, comprehensive high school located in the suburb of West Chicago. The school serves 2100 students from the communities of Carol Stream, West Chicago, and Winfield. Seventy-six percent (76%) of the faculty members hold advanced degrees and several have received National Board Certification, authored textbooks, presented at national conferences, and have been recognized for their excellence by their respective organizations. Students of West Chicago Community High School enjoy the opportunity to create rigorous, preparatory course schedules by choosing from over 200 courses. These courses include over 30 that are college credit bearing due to their challenging curriculum. In addition to participating in the academics, West Chicago Community High School boasts over 60 clubs and athletics programs for students to participate in. Students can choose to compete athletically in a conference that provides numerous competitive experiences, tap into their creative side by participating in fine arts programs such as our award winning drama program, or explore other interests by participating in any one of the 35+ student clubs. West Chicago Community High School has also been recognized for the following awards: College Board AP Honor Roll, Personal Finance State Champions, Civic Mission Whole School Model, National Democracy School, and Skills U.S.A. Champions. All of these aspects together create a dynamic and nurturing school environment at West Chicago Community High School through which students can become life-long learners and responsible members of society.

Technology Center of DuPage (TCD)

Technology Center of DuPage is a Career Technical Education (CTE) campus for 24 high schools in DuPage County, IL. TCD offers a roster of intermediate-level elective career programs for high school juniors and seniors. The focus is on college and career readiness through applied academics, workplace skill development, and work based learning experiences, as well as identifying and preparing for the postsecondary education critical for success and advancement in the chosen career pathway. Students enroll in one program at TCD and spend that year in hands-on occupational skill development, workplace skill development, and academic application. Students spend half of each school day at the TCD campus and half at the high school. All students are required to use the bus transportation provided by the school district. Some students who enroll in both their junior and senior year in the same program may earn college credit as well as high school credit. TCD courses are granted 1.25 per semester. Community High School enrolls approximately 70 students per year at TCD.
