All students will receive their schedules, take ID pictures, review school-wide expectations/procedures, tour the building, update Chromebooks, and explore STEM through a variety of problem-based learning activities. School pictures will be taken on Friday, August 1st. Information will be sent home with dates for Open House!

Drop-off/Pick-up Procedures:

Parents who bring children to school should enter campus using gate one off of University Drive by making a right turn only. The earliest students may be dropped off in the mornings is 7:15 a.m. To avoid congestion, parents are asked to make a left-turn only when exiting campus out of gate two. Walkers should enter the designated entrance in the gym foyer.

In the interest of student safety, please do not drop students off at the front of the school, on University Drive, or in the bus loading/unloading area.
