

FROM GOALS TO GROWTH: DESIGNING MEANINGFUL IEP TRANSITIONS

This session is ideal for educators seeking to deepen their understanding of transition planning under new legal requirements and to design IEPs that truly support students' journeys from school to adult life.

Participants will gain practical tools and strategies to:

- Effectively complete ITP Pages 1 and 2, ensuring compliance and meaningful planning
- Develop measurable postsecondary goals and coordinated transition services aligned with student strengths, preferences, and interests
- Integrate academic, vocational, and community-based experiences into the IEP
- Monitor and adjust transition plans to support student growth and independence
- Understand and implement the Alternative Pathway to a District Diploma and align it with the student's course of study
