SEIS: New User

New users will learn how to manage their SEIS account, including understanding the system structure and purpose of SEIS, logging in, managing caseloads, and using tools such as the home page, document library, and goal banks. They will also learn how to create an IEP using SEIS, affirm IEPs, attach documents, view historical IEPs, and manage students transferring into the district.

9/18/25 8:30 AM - 11:45 PM

Registration

In Person - Hall Middle School, 230 Doherty Dr, Larkspur
