- Please note commendable progress over the last year.

The district demonstrated remarkable resilience in handling unexpected facility failures due to severe weather while keeping schools open and smoothly relocating displaced staff and students. Major achievements include the completion of the new district office and Kulshan turf field, effective emergency response and strategic planning for future projects like Carl Cozier. Partnerships with WECU and the City of Bellingham supported major initiatives, while grants helped address environmental health and climate-related challenges. Notable improvements in security, sustainability efforts and work request completion highlight the district's commitment to safety and efficiency. The superintendent and his team also demonstrated excellent leadership in making tangible progress in the district's Climate Action Plan.

- Please note areas for additional improvement.

None.
