Dear Parents:

In 1991, Act 10 was signed into law, which requires school superintendents to provide Armed Forces recruiters with a list of high school seniors and juniors, including student name, address and telephone number. Downingtown STEM Academy will be providing this list to the recruiters for the 2025-2026 school year. The law also provides students/parents with the opportunity NOT to have this information included in the list. *If you or your child wishes to be excluded from this list, you must fill out the bottom portion of this letter and **return it to the STEM Academy Counseling Office by Friday, October 10th, 2025**.* Please email the completed form to srockowitz@dasd.org.

Sincerely,

Art Campbell

Head of School
