- Please note commendable progress over the last year.

This is an area where the superintendent, with the help of an outstanding communications team, continues to excel beyond reasonable expectations. There are many commendable examples of progress from the past year. A few of our favorites are:

- The implementation of Parent Square.
- At home visits.
- The merging of homeless support staff with the family engagement team to better serve our families.
- The revision of attendance areas.
- Messaging around Sunnyland, Parkview and Alderwood during all stages of building and tearing down of those schools.

- Please note areas for additional improvement.

None.

- Comments on the report itself.

The board appreciates all the examples of the great work the district is engaging in. This report helps us to decide what to focus our efforts on. Thank you.
