- Please note commendable progress over the last year.

Despite all that is going on, the board continues to be impressed with the great job that Dr. Baker is doing during this stressful and difficult time. The Board appreciates his continued work to ensure the district is in good standing and following appropriate actions. This also includes all of the work on the policies with the executive team, support staff and legal counsel to review and update the policies. Prior to last year the notion of a zoom meeting and a "retreat" would have been almost contradictory and the Board appreciates the efforts that have led to continuation of our work as much as possible during the pandemic.
