It contains important information for parents, students, school personnel, visitors, and citizens. The handbook is provided to better support schools and improve communication with students and families. The handbook is available to all students and parents online at the GCPS website: www.gcpsk12.org. Freshmen receive a copy of this book in their Guided Study.

ACADEMIC KNOWLEDGE & SKILLS (AKS)

Gwinnett County Public Schools is dedicated to pursuing excellence in academic knowledge, skills, and behavior for each student. The Academic Knowledge & Skills (AKS) outline what we, and our community, believe all children should learn at each grade level and in each subject or course. By setting these standards for our students, we are providing the greatest opportunity for their success, both in their education and in their future endeavors as adults. More information is located at www.gcpsk12.org.

ACADEMIC HONESTY/HONOR CODE

The Brookwood tradition of excellence requires an academic environment that rejects cheating or any other form of dishonesty. An essential part of education is developing a sense of honor, responsibility, and ethical principles that extend to all facets of life. Self-esteem and self-respect grow from meeting challenges with honesty and individual effort. Students earn respect for themselves and their academic work through academic integrity and ethical conduct. Recognition, understanding, and using academic integrity policies prepare students for college and life. It is an essential part of education and citizenship. **The Brookwood High School Honor Code is included in this book and on the school's website in the Academics section through the "Honor Code" link.**

COMPULSORY EDUCATION LAW

The Compulsory Education Law (O.C.G.A. 20-2-690.1) states that every parent, guardian, or other person who has control of any child between the ages of 6 and 16 must enroll and send their child to school. Failure to do so is punishable by a fine, community service, or a combination of the penalties.

Gwinnett County Public Schools has an attendance protocol in place. Schools will inform parents and students of attendance expectations and the consequences for excessive unexcused absences, including notice to parents of their student's excessive absences. A pattern of absences could put a student at risk of not achieving grade level/course AKS. Under state law, a student with more than 5 unexcused absences is considered truant.

RIGHT TO SEARCH

In efforts to ensure the safety and welfare of students and school personnel, school authorities possess the authority to conduct a reasonable search of students, including but not limited to their possessions, lockers and vehicles when on school property, on property being used by the school, at any school function or activity, or at any school event held away from the school if it is established there is a reasonable suspicion that the search will reveal a violation of the law, the Student Conduct Behavior Code, local school rules or any illegal, unauthorized, or contraband materials. If found, authorities may search a student's locker/vehicle and may seize any illegal, unauthorized, or contraband materials discovered in the search. As used in this policy, the term, "unauthorized" means any item dangerous to the health or safety of students or school personnel, or disruptive of any lawful function, mission, or process of the school, or any item described as unauthorized in school rules found in the Gwinnett County Board of Education Student/Parent Handbook.

ACCEPTABLE USE OF ELECTRONIC MEDIA

Failure to follow the guidelines established in school policy and the Gwinnett County Public Schools Student Conduct Behavior Code will result in disciplinary action that may include restricted or denied access to school computers and other instructional technology tools. Electronic Media Policy & Procedure information is provided in the Student Parent Handbook (GCPS), and Student Agenda Book (Section V. Student Conduct).

- 1) Certification;

A MESSAGE FROM THE PRINCIPAL

Dear Students,

Welcome back! I hope you had a terrific summer vacation full of rest and rejuvenation. I am looking forward to another great year at Brookwood. This is Brookwood's 45th school year. From the beginning, Brookwood students have been dedicated to maintaining our tradition of excellence in the classroom, in extracurricular activities, and in service to others. In addition, your predecessors have worked hard to create a wonderful school culture for those who follow their legacy.

Our past has been defined by excellence; our future is in your hands. The staff and I can't wait to support you as you prepare for your future. We're counting on you to continue to uphold the tradition of excellence and help us grow and improve as we move forward. We appreciate your commitment in the classroom, your mature behavior, and your extracurricular connections. As we venture into a new school year, there are new opportunities awaiting you at Brookwood. I encourage each of you to find somewhere to get connected. We want to help each student feel a sense of belonging and ownership in our school.

This handbook provides general information about Brookwood's opportunities for students and our expectations for you. Please read it carefully and share it with your parents. The policies and procedures outlined here are meant to provide a safe, engaged, and orderly environment for learning. I'm looking forward to the best school year yet.

Go Broncos!

Sincerely,
Dr. Brett Savage
Principal, Brookwood High School

BROOKWOOD HIGH SCHOOL

MISSION

The mission of Brookwood High School is to provide a challenging learning environment that emphasizes the critical thinking skills students need to become productive citizens and lifelong learners.

ORIGIN

Plans for the school started in 1977 to help relieve overcrowding of South Gwinnett and Parkview. A committee of educators from across the county were pulled together to create specifications for the facility. The school opened in 1981 under the leadership of Principal Emmett Lawson.

NAME

The school was named for the intersection of Hollybrook Drive and Dogwood Road where the school is located.

MASCOT

The mascot was selected by a committee of students. Bronco is derived from Spanish "broncho," meaning tough. American Indians valued the free roaming wild broncos and ownership was a source of prestige and power. Various sketches of broncos were considered before students chose the final pose. The runner-up for the mascot was bears.

MAROON & GOLD

Brookwood's colors were chosen by students. The runner-up was Carolina blue.

ALMA MATER

The lyrics were written by teacher Lori Ziecker and combined with the music of "Eternal Father, Strong to Save," a Navy hymn.

To Brookwood High we sing thy praise
the scene of many cherished days.

With strength and wisdom as our aim,
we'll strive to honor thee with fame.

Chorus:

Thus evermore we sing thy praise
Maroon and Gold of Brookwood Days.

With friendship ever in our hearts,
our thoughts from here will n'er depart.

The Bronco spirit we do yell,
Will cheer us as we say
farewell.

MOTTO

The original motto was "Establishing a tradition of excellence." This evolved into the current motto "A tradition of excellence."

CREST

The four symbols in the crest stand for the "key to knowledge, communities that came together to form Brookwood, fine arts, and extracurricular activities."

SECTION I. ACADEMIC HONESTY & HONOR CODE

The Brookwood tradition of excellence requires an academic environment that rejects cheating or any other form of dishonesty. In addition, the academic integrity of all students is paramount in the pillars of citizenship and respect that describe a Brookwood UPSTANDER. An essential part of education is developing a sense of honor, responsibility, and ethical principles that extend to all facets of life. Our students earn respect for themselves and their academic work through academic integrity and ethical conduct.

CHEATING

Cheating includes any attempt to defraud, deceive, or mislead a teacher in arriving at an honest evaluation of student achievement. Cheating includes, but is not limited to, the following:

1. Looking at another student's answers or work or sharing answers on an independent assignment or assessment unless expressly permitted by the teacher.
2. Attempting to communicate information in any way during an independent assignment or assessment unless expressly permitted by the teacher.
3. Having cheat sheets or information written on the body or other personal objects.
4. Using programmed calculators or other electronic devices unless expressly permitted by the teacher.
5. Looking at quiz, test, or exam materials prior to their administration.
6. Sharing or receiving information regarding an assignment or assessment.
7. Failing to give credit when the ideas, words, or works of others are used. (See the information on pages 13 and 14 regarding Plagiarism.)
8. Submitting work that is not created by the student. This includes, but is not limited to, file sharing submitting the same work as a peer with different header, copying files to and from electronic devices and web tools, and/or receiving or purchasing solutions or works from others.
9. Utilizing online AI tools and resources when not instructed by teacher to do so, and without proper citation of the source of the work.
10. Taking or transmitting photographs of secure assignment or assessments.
11. ANY electronic device (including, but not limited to, cell phones and smart watches) visible during ANY assessment can be considered cheating. At no time during an assessment should an unauthorized electronic device be visible or accessible.

Cheating is inexcusable conduct and will be dealt with strictly. A zero will be given for the assignment. The teacher will contact the parent(s), and a record of the incident will be placed in the student's disciplinary file. On the second and future offenses, students will receive consequences in addition to a zero. Students may lose other privileges, positions, or opportunities as determined by the administration.

BROOKWOOD HIGH SCHOOL PLAGIARISM POLICY

The following definitions and explanations clarify and explain the Brookwood High School Honor Code regarding plagiarism in essays, research papers and other writing across all subject areas. The goal here is to clearly show the difference between original scholarship, sloppy scholarship, and plagiarism.

Original Scholarship: Original scholarship is work where all ideas are the writer's own or considered common knowledge (i.e., general knowledge that the average educated reader would know without having to look it up). When using information from other sources (through direct quotes, paraphrasing, or summarizing), give credit to those sources by using a recognized citation method and include enough information in the citation so that the reader can locate the original work on their own.

Sloppy Scholarship: Sloppy scholarship is work that contains original scholarship but has carelessly cited information from other sources.

Examples of sloppy scholarship include, but are not limited to:

- Using one citation at the end of a paragraph when part of the information may not have come from that one source, or it may have come from another source
- Omitting or using incorrect punctuation marks in citations
- Inconsistent or incorrect use of recognized citation method
- Putting quotation marks around a piece of information without giving an in-text citation
- Including a works cited page without properly acknowledging citations within the paper
- Including proper citations within the paper without a corresponding entry in the works cited page
- Accidentally distorting or misinterpreting an author's original meaning

Consequences for sloppy scholarship:

- Point deduction according to the rubric or scoring method
- In some cases, students may be required to correct the errors in sloppy scholarship.

Plagiarism: Plagiarism is the act of stealing, using, and/or representing another person's ideas or words as your own writing or ideas.

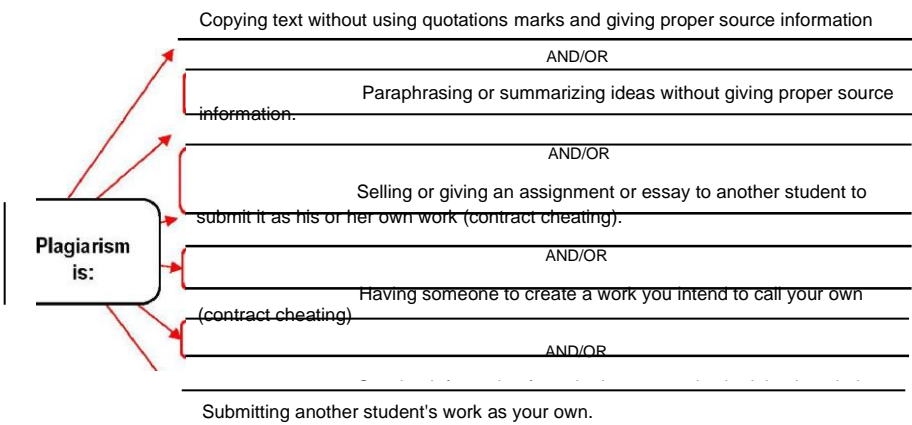

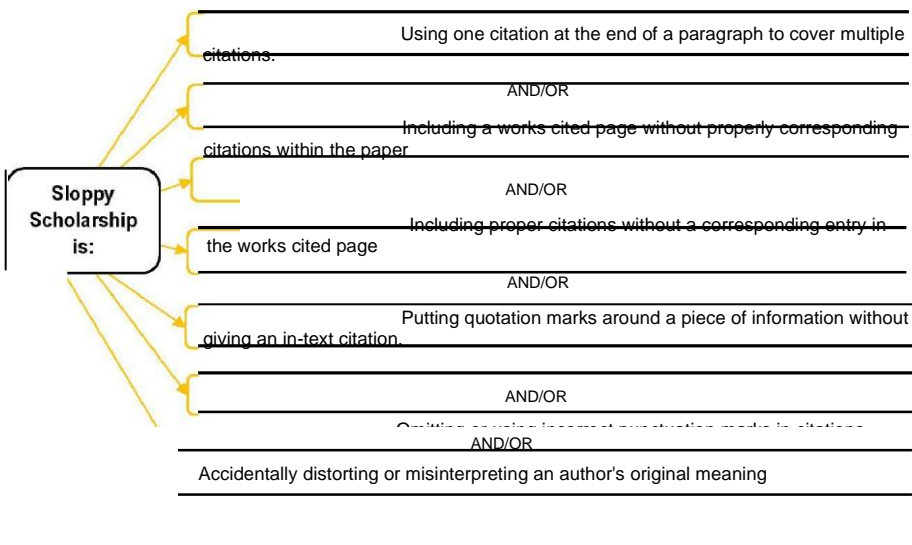

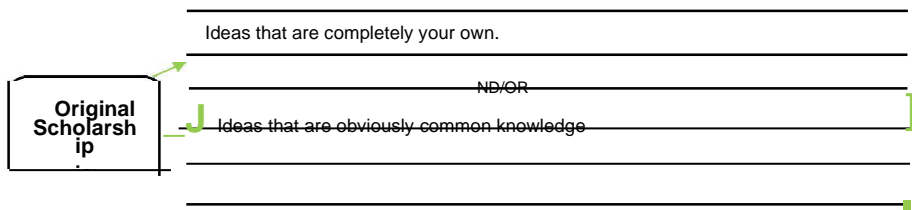

Examples of plagiarism include, but are not limited to:

- Copying phrases, sentences or paragraphs without quotations marks and giving proper source information
- Paraphrasing or summarizing ideas without giving proper source information
- Selling or giving work to another student to submit it as his or her own (contract cheating)
- Asking someone or paying someone to create a work you intend to call your own (contract cheating)
- Downloading or copying information from the internet and submitting it entirely or partially as your own
- Submitting another student's work as your own.
- Utilizing online AI tools and resources when not instructed by teacher to do so, and without proper citation.

Consequences for plagiarism (according to the Brookwood Honor Code):

- Zero for the assignment
- Teacher will contact the parent(s).
- A record of the incident will be placed in the student's disciplinary file.
- Multiple offenses will result in consequences in addition to a zero.

For more information about plagiarism and how to avoid it, please visit www.plagiarism.org.

SECTION II. GENERAL INFORMATION

BUS TRANSPORTATION

Students are permitted to ride only their assigned bus. Exceptions to this rule can be approved by Counseling in A1.

CELL PHONE/ELECTRONIC DEVICES POLICY

Being responsible stewards of electronic devices and practicing digital citizenship are important skills for students.

Important: New Cell Phone Policy at Brookwood High School

We will be implementing a new cell phone policy this school year in order to protect instructional time and students' ability to learn. ALL cell phones and other personal electronic devices are expected to be **put away and out of sight during all class time**. This means no phones out during lectures, group work, independent study, or any other instructional periods. Our goal is to make sure everyone can concentrate on lessons and participate without distractions.

When can you use your phone? We understand that your phones are important for staying connected. You will be allowed to check and use your devices during **transition times between classes and during your designated lunch period**. Please respect these designated times for phone use.

Anytime a student leaves for the restroom, cell phones should be left behind in the classroom.

What happens if you use your phone during class? We want to help you remember this new policy, so here's how we'll handle it:

1. **First Time:** If your teacher sees your phone out during class for the first time, you'll receive **one verbal warning** and be asked to immediately put your device away. This is a reminder to help you get back on track.
2. **Second Time (and after):** If there's a second or any ongoing incidents of your phone being out during class, your teacher will contact your parent or guardian to let them know. This information will also be shared with your grade level office, and appropriate disciplinary consequences will be assigned.

Attempting to deceive staff by claiming to put away your cell phone while secretly possessing a secondary device will be considered a breach of trust and will result in heightened disciplinary action.

We believe this policy will help create a better learning environment for everyone. Your cooperation is key to making this successful and ensuring that all students can focus and succeed. If you have any questions, please talk to your teachers or a staff member.

In addition, electronic devices should not be used in the following situations:

- To film or take pictures
- In a way that can cause disruption or distraction to the learning environment
- During any assessment, ANY electronic device (including, but not limited to, cell phones and smart watches) visible during ANY assessment can be considered cheating. At no time during an assessment should an unauthorized electronic device be visible or accessible.

Exceptions, changes, and additions to the Brookwood High School Electronic Device Policy may be made by the principal or his/her designee for specific reasons.

Brookwood High School is not responsible for loss or theft of electronic devices. It is the responsibility of the student to secure these items of value.

CLINIC

The school maintains a clinic for students. Clinic personnel supervise the administration of medications, notify parents/guardians of sick or injured students, and administer first aid to students following school guidelines. Students who become ill or injured during the school day should request a pass from their teacher to go to the clinic. Clinic personnel will contact a parent or guardian as situations require. **All students who require checkout due to illness or injury must check out through the clinic.**

Health Management Plans

Contact clinic personnel if you need to update your student's medical condition or complete a Health Management Plan. Call 770-736-2097, or email melanie.pickens@gcpsk12.org or allison.rhodes@gcpsk12.org.

Parent VUE

Please update phone numbers and emergency contact information.

Prescription/Non-Prescription Medication

For the safety of all students at our school, these guidelines should be followed:

1. All medications, both prescription and over-the-counter, must be accompanied with an Administration of Medication Request form. This form is available in the clinic or can be downloaded from the school website www.brookwoodhighschool.net. **All medications must be brought to the school clinic by an adult. Students are not allowed to carry medication on campus, exception being emergency medication such as an EpiPen or asthma inhaler.**
2. Administration of prescription and over-the-counter medicine (even for a short period of time) is discouraged. Parents/ guardians should check with their physician regarding the need for medications to be administered during school hours. Medications prescribed for three times daily often can be given before school, after school, and at bedtime. If you have any questions about this procedure, please call the school clinic.
3. **All medications must be in the ORIGINAL CHILD-PROOF CONTAINER.** Prescription medications must be in the labeled prescription bottle. Pharmacists can give a duplicate labeled container with only the school dose. It is the responsibility of the parent/guardian to inform the school of any changes and to update medication forms. Medications stored in envelopes, baggies, etc., will not be administered. **ALL MEDICATIONS NEED TO BE ADMINISTERED ACCORDING TO DIRECTIONS ON THE LABEL.**
4. **Medications must be picked up at the end of the school year, or the school will dispose of them.**

ASVAB:

The Armed Services Vocational Aptitude Battery, a free career interest inventory, will be offered to all students in the fall and spring of each year. This test is an excellent opportunity to:

- Learn more about yourself and the world of work
- Explore occupations in line with your interests and skills
- Develop an effective strategy to realize your career goals

There is no military commitment in taking this test. Mrs. Smith in the Counseling Office coordinates this test.

College & Career Center Services:

The center, located in A1, houses a wealth of information concerning occupations and post-secondary choices. A counselor is available to assist students and parents in their search for information. Information concerning colleges, technical schools, armed services, careers, and financial aid is available.

Representatives and Guest Speakers:

We invite representatives from colleges, vocational-technical schools, military services, and the world of work to present informational sessions during the school day. Programs are advertised in the Junior and Senior Bulletins available on the BHS website under Counseling. Interested students must sign up in advance to attend.

Passes are available in the College and Career Center. *Passes are not issued on the day of the presentation.* The classroom teacher has the final approval of a student's attendance.

Proof of Residency and Immunization:

The parent or guardian must provide proof of residency in the district and attendance zone at the time a student is initially enrolled in a school. All students must be properly immunized and have the official Georgia immunization form on file in the counseling office. Hearing, dental, and vision screening is also required. Failure to comply with these guidelines may lead to withdrawal from Brookwood High School.

Governors Honors Program:

Brookwood High School participates in the Governors Honors Program. Students are nominated by their teachers and compete at the county and state levels. Selected students pursue academic interest areas during the summer on a college campus.

Records Transfer:

Copies of a student's educational record may be transferred to officials of other schools or school systems in which the student seeks to enroll. Unless parents express, at the time of enrollment in the Gwinnett County Public Schools, a need for additional notice of the transfer of student records, the records transfer to the enrolling school or school system will occur without further notice.

Effective July 1, 1997, Georgia Law requires:

Students in sixth grade or higher transferring to a new school will be required to provide academic and disciplinary transcripts to school officials. Students will be required to disclose conviction of designated felony acts, whether they currently are serving a suspension or expulsion from another school, the reason for such discipline, and the term of the discipline. Schools can refuse to admit students under disciplinary action from other school systems. In lieu of compliance, a student may be admitted on a conditional basis if he or she and his or her parent or legal guardian executes a document providing the name and address of the school last attended authorizing the release of all academic and disciplinary records to the school administration. Every school system in the state will be obligated to provide complete information to a requesting school within ten (10) days of receipt of request.

Student Records:

Under the Family and Educational Rights and Privacy Act of 1974, parents have several rights, which include the right to inspect and review educational records of their child, the right to challenge the content of those records, the right to control the release of educational records of their child, the right to complain to the Family Educational Rights and Privacy Office about the school's failure to comply with the law, and the right to be informed of these rights just listed.

To obtain a copy of the Gwinnett County policies on their compliance with the law, or to request the opportunity to inspect and review your child's records, contact your child's school.

Gwinnett County Public Schools provide the student and his or her parent with important rights pertaining to student records.

These rights include:

- the right to receive this information in a format understandable to student and parent;
- the right to inspect and review student records by parents (and in the case of students over the age of eighteen, by students) within 45 days of the request and the right to have the records explained;
- the right to copies of student records;
- the right to challenge the content of student records and the procedures for doing so, including the availability of formal proceedings to resolve these disputes;
- the right to request that material be removed from student records and the procedures for doing so;
- the requirement of parental or student consent and methods of consent before the disclosure of student records except in certain circumstances;
- the rights of separated or divorced parents and legal guardians pertaining to student records;
- the schedule of destruction of particular student records;
- the content, location and particulars concerning permanent records, official records, and supplemental records.

The student or parent may contact the local school for more information about the above list of rights.

Transcript Requests

Transcripts to be sent to institutions within the state of Georgia can be sent through gafutures.org at no charge. Final transcripts and those for colleges outside the state of Georgia are available from the Counseling Office for a \$5 fee.

Students are responsible for mailing officially sealed transcripts and all supporting materials. This procedure enables students to have the "hands-on control" of when and where transcripts are sent.

Student Withdrawals:

1. The enrolling parent/guardian must contact the Records Clerk at 678-344-3479 at least 24 hours prior to the date of withdrawal.
2. The enrolling parent/guardian must sign a withdrawal form and present a picture I.D.
3. The parent/guardian should ensure that all textbooks, library books, Chromebooks, and chargers are returned to the Records Clerk and all fees have been paid.

Work Permit

The Counseling Office processes work permits only for students younger than 16 years of age. Go to Brookwood's website www.brookwoodhighschool.net and then to the Counseling section. Follow the link for Work Permits and fill in the personal information. Print the data sheet to give the employer for completion.

After the employer fills in the section, return the sheet to Mrs. Smith in the Counseling Office and show her a form of identification that shows your birth date. Allow a minimum of 24 hours to complete. There is a \$5 fee.

It is the policy of the Gwinnett County Board of Education not to discriminate on the basis of gender, age, race, ethnic group, color, disability, religion, belief, or national origin in the educational programs and activities, or admissions to facilities operated by the Gwinnett County Board of Education, or in the employment practices of the school system.

CREDIT RECOVERY PROGRAM

Intensive Credit Recovery (CR) is a program for students who did not pass a class and earned a grade between the ranges of 50% to 69%. Students can take a condensed version of the course to earn credit towards graduation. Successfully completed CR grades will appear on a student's transcript, but they will NOT replace the failed grade.

Who is eligible?

Students who meet the criteria above are eligible. CR is offered at a standard, college preparatory class level. Resource, Co-Taught, Honors, Gifted, Accelerated, and Advanced Placement courses are not available.

When are the Intensive CR sessions offered?

Intensive CR session and registration dates are listed below. Students must attend BOTH days of the face-to-face sessions for the entire time each day.

How does the program work?

- CR sessions take place over a two-day period: four hours on Friday and eight hours on Saturday.
- Brookwood uses a self-paced class with embedded tests for Credit Recovery.
- Students may take only ONE Intensive Credit Recovery course. It is recommended that math be the priority if more than one class is needed.
- NCAA does NOT recognize this Credit Recovery program for eligibility purposes.

DELIVERIES TO SCHOOL

Parents are discouraged from bringing items such as lunches, gym bags, and books to school to be delivered to students. Interruption of classes to deliver notes for these items interferes with instruction. We do not deliver flowers, gifts, or fast-food lunches to students.

Federal lunch program prohibits delivery of fast food during the school day.

DRIVER'S EDUCATION

The Brookwood Community School offers a Driver's Education program at least three (3) times throughout the year. All classes are developed and scheduled by the instructors as soon as the previous class is finished. Information about new classes is given to students during the daily announcements at school. Announcements are also made weekly in the "Saddle Up" newsletter and quarterly on the Community School webpage under the Directory tab. Each course has 30 classroom hours and six (6) hours of behind the wheel driving. The maximum number of students per class is 34. Students submit a copy of their current learner's permit with their registration. Class fee is \$450. For additional information and registration forms, visit the Community School webpage.

DRIVER'S LAW

The Georgia Department of Driver Services (DDS) requires a notarized Certificate of Enrollment when students aged 15-17 apply for a driver's license or permit.

Certificates of Enrollment are available at the desk in the Gold Gym Lobby and require a \$5 processing fee. Students should fill out the form, allowing one school day for processing. Certificate of Enrollment request forms can be obtained during the summer 8:00 a.m. - 3:00 p.m. for the same fee. Students and their parents may visit the DDS website at www.dds.ga.gov to confirm they have all the documentation required to obtain a driver's permit or license.

DUAL ENROLLMENT SCHOLAR AWARD

Georgia's Dual Enrollment program allows students to earn college credits while they are in high school by taking courses through a state college or university. The Dual Enrollment Scholar Award was designed to honor those students who have utilized this program to help them prepare for college and have been successful in their coursework. The criteria for being named a Dual Enrollment Scholar is to earn an overall A average (90.0 with no rounding) in all combined Dual Enrollment courses taken by the end of the first semester of senior year, with a minimum of five courses completed. Labs that carry a credit of 0.0 and courses that have a college credit value less than three will not be included in the determination. Qualifying recipients will be noted in the Graduation program as a Dual Enrollment scholar and may purchase a medallion to wear at the ceremony. In addition, recipients will have their names displayed on a commemorative board and will be invited to participate in a celebration.

ELEVATOR ACCESS

The school is equipped with three elevators for students who are unable to use the stairs. Two elevators are used for access to F Hall and the Maroon Gym. Obtain a pass from E24 to use these elevators. The third elevator is in the A100 building and is used to access A200 and B200 classrooms. Obtain a pass from the 11th/12th Grade Office (B120) for permission to use this elevator.

FOOD SERVICES

Brookwood offers a wide variety of healthy meal options. The food court features traditional entrées, pizza, chef salads, hot and cold sandwiches, wraps and vegetarian selections daily, as well as a student salad bar. Abundant choices of fruits and vegetables are always available. Wednesdays feature a Farm-2-School selection from local growers. Visit the GCPS or BHS websites for menus or download the NutriSlice app to any smart phone.

Lunch is \$2.75 (reduced price is \$.40) and includes milk, one entrée, and at least one serving of fruit and/or vegetable but can include up to one entrée, two servings of both fruit and vegetable and a milk. Breakfast costs \$1.75 for all students and is served 6:45 - 7:20 a.m. A la carte milk is \$.40.

Student accounts are accessible with the student ID number. Meals may be prepaid by cash or check at the registers. Credit cards are not accepted at the registers but can be used by setting up an account at MyPaymentsPlus.com. Money placed in the "general account" will allow students to purchase meals and à la carte items. High school students will be allowed to charge up to \$4. Charges are not allowed for supplemental or à la carte items. Once the charge limit has been met, the student may receive a designated alternate meal at no charge as defined by the School Nutrition Program (SNP). Additionally, once the charge limit has been met, the parent/guardian will be notified by the local school via phone call and/or email. A charge list will be provided to the principal at the end of every month. Charging for meals will not be allowed after April 30. The SNP manager is always available to students and parents to answer any questions and address any concerns or special requests.

Parents should complete the free/reduced-price application as soon as possible at:

HOMELESS CHILDREN AND YOUTH

The Stewart B. McKinney/Vento Education for Homeless Children and Youth Act ensures educational rights and protections for children and youth experiencing homeless situations to enroll in, attend, and succeed in school and pre-school programs. In accordance with this law, Gwinnett County Public Schools affords homeless children and youth equal access to the same free, appropriate public education, including a public preschool education such as Head Start, Even Start, State Pre-K, and Title I Preschool Programs as provided to other students.

Homeless children and youth will have access to education and other services that they need to have an opportunity to meet the same challenging state student academic achievement standards to which all students are held. Please contact Assistant Principal Daria Williamson for information (daria.williamson@gcpsk12.org).

IDENTIFICATION (ID CARDS)

Students are provided with a photo ID in October after school pictures are taken. Students not in a regularly scheduled Language Arts class will need to arrange for a photo during a school picture day or go to the Media Center with questions. Students must carry the card with them while on campus for identification, library book checkout, lunch charges, school dances and other activities. Replacement IDs can be purchased in the Media Center for \$5, before or after school. There is a 24-48 hour turnaround time to receive a new card.

INDIVIDUALS WITH DISABILITIES

It is the practice of the Gwinnett County Public Schools to provide instructional and related services appropriate to provide a free appropriate public education for individuals with documented disabilities.

Brookwood High School wishes to meet the needs of all our students and families. LOCKERS

All students who pay a locker fee are assigned a school locker and may pick up their locker slip from the 9th Grade Office. Students are discouraged from sharing a locker or giving locker combinations to anyone.

Every effort is made to ensure that lockers are in good repair; however, an occasional problem may arise. If a locker does not lock properly, the student should notify the 9th grade level office *immediately*. The non-working locker will be repaired, or a new locker will be issued as soon as possible. If the student fails to report the broken locker, he/she takes full responsibility for the items placed in it (including textbooks). BHS recommends that students secure their items in LOCKED lockers while using the locker room (PE, after-school sports, etc.). BHS is not responsible for lost or stolen items.

The school assumes no responsibility for lost or stolen articles, including

Lockers are the property of BHS and may be inspected and searched by school officials. No decals, stickers or padlocks may be put on lockers. Students must write their locker combination in the area provided in the agenda book or note it on their cellphone, so if they forget the combination after a holiday, they will have it available.

LOST AND FOUND

If you have lost clothing, a lunch box, water bottle, or book bag, please check the Maroon Gym Lobby.

If you lost small valuable items (i.e., air pods, phone, jewelry, wallet, keys), please go to the 10th Grade Office, E24.

If you have lost a textbook, please go to the 10th Grade Office, E24.

MEDIA CENTER

The Media Center is a place where students converge in exploration, evaluation, creation and sharing. We provide spaces for group work and individual learning, access to information and technology, and media staff that are focused on supporting the needs of 21st century students. An extensive collection of young adult novels and engaging non-fiction supports our goal of encouraging life-long readers.

The Media Center is open from 6:45 a.m. to 2:45 p.m. Monday through Thursday and from 6:45 a.m. to 2:30 p.m. on Fridays. Students may come to the Media Center during the school day with a class, independently with a pass, and during their lunch period.

Circulation Policies

- A student may check out a maximum of five (5) books at a time for a period of three weeks.
- Students may renew their materials unless the books are on reserve for another patron.

There are no fines for overdue books; however, students are responsible for paying for lost books (\$10 for paperbacks, \$20 for hardbacks).

A student may NOT check out additional materials if the student has an overdue book or fine.

A student may NOT take a final exam at the scheduled time if books or fines are due to the Media Center.

Technology Use

Students will be issued a 1:1 GCPS device, such as a Chromebook, for school-related use. Students are responsible for their assigned Chromebook and a charger and should be able to present the Chromebook and any accessories if requested by BHS staff. Students should maintain their Chromebooks and chargers. Lost or damaged Chromebooks and chargers will result in fines assessed on students' accounts. Students should charge their devices nightly so that they are ready for use during school, especially during testing.

In addition, desktop computers in the Media Center are available for students to use for school-related purposes.

When using any technology, students should comply with the Responsible Use of Technology and Electronic Media for Students available in the GCPS Handbook for Students & Families.

Technology Tips

When working on school assignments on personal devices (not GCPS-issued Chromebooks or BHS desktop computers), ensure that the file types will be compatible so that they may be opened on school computers. Students should email or share academic work completed on a personal device to their Google school emails or Google drive to access while on campus. Failing to do so may limit students' ability to access the work. We encourage you to use the digital storage space available on your GCPS Google Drive for easy access between devices.

MISS BROOKWOOD SCHOLARSHIP PAGEANT

The Miss Brookwood Scholarship Pageant (MBSP) is a Brookwood High School fundraiser that offers girls, grades 9-12, an opportunity to develop interview skills, practice public speaking, interact with judges, and make new friends. Through the generosity of community businesses and individuals, the event raises close to \$20,000 for BHS PTSA annually. In keeping with tradition, PTSA allocates the funds toward educational support at the school, college scholarships, and special events.

Eligibility: MBSP contestants must be passing at least five of six classes in the previous semester and on track for graduation. They must also have suitable discipline and attendance records. Grade level administrators determine final eligibility. Three judges independently evaluate contestants in four categories: interview, on-stage question, evening wear, and effort. Visit www.brookwoodHSptsa.com for more information.

UPSTANDER

The Brookwood UPSTANDER initiative is student-centered in its creation and implementation. Brookwood encourages and celebrates UPSTANDER qualities represented in the four pillars of characters that spell C.A.R.E. (Citizenship, Advocacy, Respect, Engagement). UPSTANDERS are people of action and purpose. They take a stand and make a difference, particularly for individuals and causes that appear vulnerable. They counter apathy, combat injustice, promote goodwill and galvanize peers into action. Throughout the year, Brookwood staff recognizes UPSTANDER behavior in students with UPSTANDER coupons at school. In 2017, Brookwood established the Brookwood UPSTANDER of the Year Scholarship for a graduating senior(s). In 2018, Brookwood established the Citizen of the Year award for a member of the community. Beginning in 2019, Brookwood began the initiative to align the current UPSTANDER program with the statewide Positive Behavioral Interventions and Supports (PBIS) framework, joining more than 1,200 Georgia schools and 27,000 schools nationwide. Through this data-driven, evidence-based framework which supports academic outcomes, a reduction in disciplinary incidents, and a school's sense of safety, Brookwood will continue to promote understanding and respect for the four pillars of an UPSTANDER, as well as the consistent reinforcement and acknowledgement of both staff and students. In addition, this framework will support Brookwood through the development of targeted interventions based off clear trend data to improve overall school climate for all stakeholders.

Learn more at www.BrookwoodUpstander.com or www.PBIS.org.

SECTION III. ACADEMICS AND INSTRUCTION

Brookwood offers a strong academic program for students. A comprehensive set of learning objectives called **Academic Knowledge and Skills (AKS)** is implemented in all subjects. The AKS provides a common foundation for teachers to use as they develop meaningful lessons. Teachers supplement the AKS with a variety of strategies to create an academically rigorous environment for students.

BROOKWOOD STUDENTS CONSISTENTLY ACHIEVE HIGH SCORES ON THE:

1. End of Course/Milestones Assessments (Main Administrations in December and May)
2. PSAT, SAT and ACT (**The ACT is not administered at Brookwood.**)

BROOKWOOD HIGH SCHOOL CONSISTENTLY RANKS AMONG THE TOP IN THE STATE ON STANDARDIZED ASSESSMENTS AND NUMBER OF SCHOLARSHIPS AWARDED.

ACADEMIC INTERVENTION SERVICES

Teacher Tutoring

Office Hours - Teachers are available by office hours for student “drop-in” assistance. Office hours are posted outside each classroom and on the teacher’s Google Classroom page. Students unable to meet during office hours may request help before or after school by appointment.

Standardized Tests - Students unsuccessful on the Gateway Test are offered intervention at various times during the school year. Contact the Testing Office at 678-344-6774 with questions or go by A114 and ask to speak with Mrs. Fowler and/or Mr. Cox.

ACADEMIC LETTERS

The Academic Letter Program honors the academic achievement of students. Beginning the Spring Semester of the 10th grade, students are eligible for an academic letter each year, as long as they have met these requirements:

1. Been enrolled and completed three (3) consecutive semesters at Brookwood High School
2. Earned a minimum 90.0 overall cumulative numeric grade average of all courses taken for high school credit as of the last completed semester. The 90.0 overall average determination is figured without rounding of scores.

Students will be notified of their award and invited to the Academic Letter Ceremony, typically held virtually in mid-April. Following the ceremony, students who have earned the award receive a certificate and their choice of a letter (that can be affixed, like a patch, to a jacket) or a pin, if they previously received a letter. Generally, students choose their first award to be a letter and then any subsequent awards to be a pin that can be placed on top of the letter.

Freshmen who have earned at least a 90.0 overall average of all courses taken in the Fall Semester of the current year while attending Brookwood High School will receive an Academic Certificate of Achievement.

ADVANCED PLACEMENT (AP COURSES)

The College Board’s Advanced Placement Program enables students to pursue college-level studies while still in high school. Brookwood offers more than 31 classes in various subject areas. AP classes are available to all students who are willing to accept the challenge of a rigorous curriculum.

Scan this QR code to Visit the College Board AP webpages for course descriptions, exam dates, study materials, and more.

Advanced Placement Classes are college courses taught in high school with college-level content. A student may earn college credit for the course if the student's score(s) on national AP Exams are satisfactory. Colleges and universities consider AP courses to be the gold standard for the test of rigor of schedule on a student's transcript during the college application process.

The Brookwood Advanced Placement Scholar Recognition is designed to pay tribute to students who have utilized the Advanced Placement course offerings to better prepare themselves for the college classroom. AP Scholars will have the opportunity to purchase a medallion to be worn with the graduation gown. The medallion will be embossed with the Brookwood crest and will hang from a maroon and gold ribbon. Students will also receive a special diploma seal and will have their names permanently displayed on the AP Scholar plaque.

The criteria for being named an AP Scholar is to be "on track" to receive four units in Advanced Placement courses by the end of the senior year with a "B" average or better overall in those courses by the end of the first semester of the senior year. (Note: Econ and Gov are only .5 units each.) Students who will qualify for this honor will be notified by letter in February. The recipients will be recognized at a celebration and will receive their purchased medallions at that time.

ADVISEMENT/GUIDED STUDY

Brookwood High School Advisement Program fosters a supportive environment for all students. The program helps guide students to be Upstanders, citizens who advocate for themselves and others and who are respectful and engaged. Guided Study teachers complete activities twice a month to provide support and enhance students' academic and personal growth.

CLASS RANK

Class rank is based on the cumulative numeric grade average. The student's class rank is listed on the bottom of his/her transcript.

CONCURRENT ENROLLMENT IN A NON-GWINNETT COUNTY PUBLIC SCHOOL

Any student taking classes through non-Gwinnett County school programs may be responsible for End-of-Course Assessments required for the second semester of the following classes: Algebra I, Biology, U.S. History, and 11th Grade Language Arts. Contact your counselor or the Testing Office for more information. If the non-Gwinnett County Public Schools program requires that the final exam be proctored locally, employees of Gwinnett County Public Schools may not assume this responsibility.

DUAL ENROLLMENT

Juniors and seniors who wish to participate in the Dual Enrollment program can potentially receive both high school graduation credit and college credit. Several options are available for students to participate in this program. Find information on the Counseling section of our school website.

EARNING CREDITS

Gwinnett County Public Schools offers several means by which students may retake courses that have been failed during the regular school year. These programs include: School Plus programs offered through Phoenix High School, Gwinnett Online, Credit Recovery, and GCPS Summer School. GCPS believes that providing ways for students to make-up credits through its school system and based on its AKS will provide the best foundation for success in subsequent classes, standardized tests, and postsecondary education.

Counselors, teachers, and administrators can advise students as to the appropriate GCPS classes required for graduation but cannot recommend or offer advice regarding other programs outside of Gwinnett County Public Schools. However, if these alternative programs are utilized, it is the responsibility of the student and/or parent to communicate this intent to the appropriate counselor, investigate the accreditation status of the program, and have an

official transcript with the grade and credit earned sent to the Counseling Office. Graduating seniors must have classes completed by May 1 and verified by an official transcript.

GIFTED EDUCATION PROGRAMS

Gifted-level courses are available in some subject areas during grades 9-11. Although some AP classes are available for grades 9-11, gifted course selections for grade 12 are mostly AP. Gifted students may choose which gifted classes to take, but they should carefully consider the potential impact of lack of gifted or AP classes on their transcripts. The college admission process requires *rigor of schedule* (the most rigorous courses available in the school) to be fully competitive for selective colleges and universities. The only confirmation of gifted placement on transcripts is enrollment in gifted classes.

Quest Internship is an off-campus elective class in which gifted students in grades 11-12 work with a mentor in the business or professional world. Students leave campus the last period of the day and must be old enough to drive and provide their own transportation. Students also participate in resume preparation, career research, interviews, internship seminars, presentations, and final exams. Intern supervisors find placements for students in the metro area or local community. Students can also supply contact information of a willing professional whom they know. See the school website (Academics > Academic Programs > Gifted Program) for more information. Contact Mr. Michael with any questions: chris.michael@gcpsk12.org.

Qualifying for the Gifted Program:

The procedures for identifying and placing students in the state-funded gifted program are governed by rules and regulations required by the Georgia Department of Education. **Referrals** to the gifted program may come from teachers, parents, students, or as a result of system-wide testing. Students interested in being evaluated for gifted placement must submit their names via email to the school referral team. If the referral team recommends the student for gifted evaluation, a gifted education teacher will schedule evaluations using four criteria: ability, achievement, creativity, and motivation. Students must qualify in **three of the four** categories. After providing a copy of previous gifted eligibility scores and then being placed in the GCPS gifted program, **transfer students from gifted programs in other Georgia public schools** receive an automatic transfer. Students must attend classes at BHS before they can be referred and evaluated for the gifted program. **Transfer students from other states or private schools** must be evaluated according to Georgia eligibility criteria, even if they have previous gifted placement. Private evaluations from outside the school system cannot be substituted for test data generated at the local school. For more information, see the school website (Academics > Academic Programs > Gifted Program). Contact Mr. Michael with any questions: chris.michael@gcpsk12.org.

GRADUATION

The graduation ceremony is by invitation to students in good standing who have met all credit and testing requirements as prescribed by the state of Georgia and Gwinnett County Public Schools. Students must also have returned all textbooks, Chromebooks, library books, school-issued items (including sports uniforms and equipment), and cleared all fines.

Appropriate behavior before and during ceremonies is expected.

HOSPITAL HOMEBOUND INSTRUCTION

Homebound instruction is available for students who are under medical care and will be absent at least 10 consecutive days. An application supported by a doctor's recommendation is necessary for placement in this program. Instruction includes a homebound teacher and "teleclass" instruction. Contact your student's counselor at 678-344-3560 for more information on this program.

HOMEWORK

The Board of Education strongly endorses the use of homework to promote student learning. Through quality homework, students have opportunities for enrichment, extension and remediation of instructional objectives and practice of skills.

The teacher has the obligation to assign homework as necessary to meet instructional objectives and to use the homework to evaluate and monitor student progress. Through a strong home/school partnership, homework has the potential to increase learning and student achievement.

Homework Requests

Students who have been or expect to be absent three or more consecutive days, please check online resource pages (Google Classroom) and communicate with teachers. Please allow 24 hours for teachers to respond to a request.

HONOR GRADUATES

Students who have earned a cumulative numeric grade point average of 90.0 percent or higher at the end of the first semester of their senior year will be recognized as Honor Graduates. Under no circumstances will grade point averages lower than 90.0 percent be rounded up for this recognition.

The Valedictorian and Salutatorian for the graduating class are selected based on class rank at the end of first semester of the senior year. The Valedictorian will be the member of the senior class with the highest numerical cumulative average of those students receiving a diploma. The Salutatorian will be the graduating senior with the second highest average of those seniors receiving a diploma.

PHOENIX HIGH SCHOOL

Phoenix High School exists to serve the needs of high school students who prefer a nontraditional setting or who need to retake failed classes. The academic year is divided into four nine-week mini-semesters. Students may take classes after the regular school day for a fee, or attend full time at no charge. The curriculum is structured to provide for students' individual needs. Phoenix High School is a Gwinnett County Public School.

Students who have withdrawn from their home school to attend Phoenix High School on a full-time basis may not participate in the graduation ceremony of their home school. Phoenix High School students will be able to participate in the Phoenix High School graduation ceremony upon completion of the high school course requirements. For a student enrolled full-time at Phoenix High School to graduate from his/her home school, the student must withdraw from Phoenix and enroll in his/her home school for his/her entire final semester of high school.

REPORT CARDS

Report cards are issued at the end of each semester and mailed directly to student homes. It is a record of the student's final grade and credit for each class.

SCHEDULE CORRECTIONS

Course request changes are honored until May 31 as long as space in the course remains and the student has met prerequisites. After that, schedules are rarely changed and only for legitimate reasons, which include failure of a prerequisite course or previous receipt of credit for a course.

End-Of-Course/Milestones Assessments

May 2026: End-of-Course (EOC) assessments are administered at all high schools in the state of Georgia. An EOC will be required for the following courses: Algebra I, 10th grade Literature and Composition, Biology, and United States History. The EOC accounts for a portion of a student's final grade.

Final Exams

Cumulative exams will be given the last four days of each semester. We ask that you avoid scheduling appointments during the final days of the semester to allow for the review for and administration of final exams.

Exams will not be given early. Students will not be permitted to check out during an exam period. If a student misses an exam due to an excused reason, the exam can be taken on the announced make-up day. There will be two makeup blocks for finals. The first makeup block will occur during the last two hour testing block on the last day of exams. Only students with parent permission will be allowed to take their exam during this block. There will be one additional scheduled makeup opportunity after the conclusion of the semester.

Final Exam Exemption:

High school graduating seniors who have an overall "A" average, 90% or greater, will be exempt from taking local semester examinations for the second semester except when an EOC or District Assessment is required. High school graduating seniors who have an "A" average or greater in a specific course may be exempt from taking a local second semester examination on a course-by-course basis.

QUESTIONS ABOUT TESTING? Come to A114, or call 678-344-6774.

TEXTBOOKS

Students will be responsible for reimbursement to the school for lost or damaged textbooks. Students must turn in or pay for the textbooks issued to them in order to take exams on the regularly scheduled exam day. Students who have lost a textbook for a class should see the teacher of that class or the 10th Grade Office (E24) for the replacement cost of the textbook. Payment for lost textbooks may be submitted on MyPaymentsPlus.com. A copy of payment page should be printed to serve as proof to the teacher that the student has paid for the lost book(s). Students also have the option to pay for lost textbooks with a check or money order in the 10th Grade Office. If the textbook is found, the county will mail a refund in the form of a check.

According to Gwinnett County School Board procedure, lost or damaged textbooks need to be purchased through the school for the full, current price. The purchasing of textbooks via other markets (on-line, bookstores) are not options. Students failing to settle lost or damaged book issues may result in the loss of privileges such as participation in an extracurricular activity, loss of school privileges, including parking, and/or a delay in issuing grade reports, diplomas, transcripts, or certificates of progress.

TRANSFER CREDIT

Credit will be awarded from accredited schools only. The definition of an accredited school is one that is accredited by or holding provisional status from the Georgia Accrediting Commission, the Georgia Association of Christian Schools, the Association of Christian Schools International, the Southern Association of Independent Schools and/or one of the accrediting agencies that is a member of the Georgia Private School Accreditation Council and/or one of the following regional accrediting agencies:

- Middle States Association of Colleges and Schools (MSA)
- New England Association of Schools and Colleges (NEASC)
- North Central Association of Colleges and Schools (NCA)
- Northwest Association of Schools and Colleges (NASAC)
- Southern Association of Colleges and School (SACS)
- Western Association of Schools and Colleges (WASC)
- The Alabama Independent School Association

Grades transferred to Gwinnett County Public Schools from home school or a non-accredited, public/private school for courses required for graduation in Gwinnett County Public schools will be accepted upon the student passing a locally/state developed examination for each course for which credit is requested. It is the student's responsibility to take the appropriate tests, so please check with your counselor to determine how to take them.

If a student scores 70% or better on the exam or exams, the grade(s) will be recorded on the transcript as pass (P) and credit will be awarded; however, these courses will not be calculated in a student's grade point average. Scores under 70 will not be recorded on the transcript and no credit will be awarded.

WORK-BASED LEARNING PROGRAMS

The Work-Based Learning program is open to juniors and seniors. The program provides students an opportunity to learn work-related skills through an approved job. Students leave school early for either one, two or three periods.

Students earn school credit, and many are paid by the employers for their work. Students do not need a job to sign up for the program during registration, but an approved job placement must be acquired before the first day of school.

To be Eligible:

Students must have good attendance, no severe discipline issues, and must have reliable transportation to and from work. See Mrs. Creasy in B6A for an application.

SECTION IV. ATTENDANCE

Student attendance is critical to the attainment of high academic achievements and efficient use of instructional time. School attendance is the responsibility of both parents and students.

EXCUSED POLICY

State law requires school attendance for students ages 7 to 16. Gwinnett County Board of Education Policy states that students will be excused from school under the following circumstances:

1. Personal illness or attendance in school endangering a student's health or the health of others
2. A serious illness or death in a student's family necessitating absence from school.
3. A court order or an order by a governmental agency, including pre-induction physical examinations for service in the armed forces, mandating absence from school.
4. Observing religious holidays, necessitating absence from school as indicated by the Gwinnett County calendar for religious observances.
5. A period not to exceed one day is allowed, at the discretion of the local unit of administration, for registering to vote or voting in a public election.
6. Visiting with a parent or legal guardian prior to or during leave from deployment to a combat zone or combat support posting as a member of the Armed Forces of the United States or the National Guard (maximum of five school days per year).

Absences for medical or court appointments will be classified as unexcused until the proper documentation is received from the physician or office of the court. Please contact the attendance office regarding pre-existing medical conditions.

UNEXCUSED POLICY

Absences are unexcused for all other reasons, including **but not limited to**:

Missing Bus	Family Visits/Events	College Visits
Oversleeping	Power Outage	Vacations/Trips
Car Trouble/Traffic/Accidents	Passport/Immigration	Babysitting
Running Errands and/or Skipping School	Unspecified Family Emergency	Driving Tests
Dual Enrollment Orientation		

Class work and/or tests may not be made up for unexcused absences.

Returning to School After an Absence

The student must bring a parent/guardian or doctor's note to his/her first period teacher **within two days** of returning to school. The note should include the date, *reason*, parent/guardian signature, and phone number for verification. The student's first period teacher will classify the absence Excused or Unexcused and issue a Permit to Class. The student is responsible for showing the yellow/pink Permit to Class to each teacher throughout the day.

AWOL

Once a student arrives on campus, the student is considered to be at school and must obtain permission to leave campus for any reason by checking out in the Attendance Office, even if classes have not yet begun.

A student is considered AWOL and subject to behavior consequences, *including temporary or permanent revocation of campus parking privileges* if he/she:

- Leaves campus without checking out
- Arrives to school late and fails to check-in through the attendance office
- Is absent from school without parent permission
- Skips a portion of a class, a full class, or several classes
- Is out of class without a pass from the teacher
- Fails to go to The Commons and stay in The Commons during assigned lunch period
- Goes to vehicle without permission

CHECK-OUT POLICY

Any student needing to leave campus during the day for any reason must check out through Check-In/Out at the Attendance Office. Contact with parent or guardian will be required before a student is released from school.

STUDENTS ARE NOT ALLOWED TO CHECK OUT DURING A FINAL EXAM PERIOD.

On days prior to school holidays or special events, a student's parent/guardian may be required to come to school to check out the student.

Check-outs for medical or court appointments will be classified as unexcused until proper documentation is received from the physician or office of the court.

Students are not allowed to check themselves in or out when they reach the age of 18 unless the student has an approved emancipated student document on file with the Counseling Office.

Procedure for Check-Out:

- The student needs to take his/her check-out note to the Attendance Office **before 7:15 a.m.** The note must include date, reason, parent signature, and parent's telephone number.
- The check-out staff will call to verify the note and prepare a pass for the student to pick up prior to leaving.
- **Students should not use their cell phone to call parents when they are ill.** Instead, the student should get permission from his/her teacher to report to the clinic. Clinic staff will contact the parent and, if necessary, check out the student excused. If this process is not followed, the student's check-out may be classified as unexcused.
- Parents requesting that their student check out for reasons other than illness or injury should call the Attendance Office.
- Students who check out for medical or court appointments must bring the written documentation of the appointment to the Attendance Office when they return to school in order to excuse the check-out.
- If the student returns the same day, the student needs to show his/her teachers the check-in pass.
- Due to the size of the school and number of activities at the end of the school day, students will not be permitted to check out after 1:45 p.m. **Please schedule appointments accordingly.**

EXCESSIVE ABSENCES POLICY

Chronic absenteeism affects a student's ability to learn and succeed in school.

Students may be placed on medical restriction if they miss 10 or more days in one semester. This means that any absences over 10 must have medical documentation submitted for it to be excused.

School approved field trips/activities, medically documented absences and suspensions will NOT count toward excessive absences.

If a student has a serious medical or legal problem, the student's parent/guardian should notify the attendance administrator and the

MAKE-UP WORK POLICY

For excused absences and school sponsored activities.

If a student has missed an assignment due to an excused absence, the grade of zero will be averaged in the place of that grade until the student makes up the work.

All pre-assigned work will be due on the day of a student's return from an absence.

Suspended students shall make up tests and assignments that the teacher determines will have impact on the student's final grade and mastery of course content. Assignments that the teacher does not require to be made up will not count towards a student's final grade.

**IT IS THE STUDENT'S RESPONSIBILITY TO MAKE ARRANGEMENTS TO COMPLETE
MAKE-UP WORK WITHIN FIVE (5) DAYS UPON RETURN TO SCHOOL.**

TARDY ACCOUNTABILITY PROGRAM (TAP)

All students are expected to be in school and/or class on time. Students are considered tardy to school after the First Period Tardy Bell sounds (7:20 a.m.). **Tardies to school are classified as excused or unexcused according to the state guidelines for absences. Students receive six tardy warnings per semester. Consequences will start on the seventh tardy.** Tardiness to school for medical or court appointments will be classified as unexcused until proper documentation is received from the physician or office of the court.

Procedure

Students arriving late to school must present a note from a parent/guardian stating the date, reason for the late arrival, parent signature, and parent phone number for verification or the tardy will be classified unexcused. **Excused notes must be brought in within two days of the tardy.**

Arrival Time:

7:20 AM

Report Directly To:

Attendance Office

Tardy Accountability Program (TAP) Check-in/Check-out Office.

Attendance personnel will classify the tardy as excused or unexcused and issue a *Permit to Class* for the student to show to his/her 1st period teacher.

Unexcused late check-ins are counted as a TAP.

TARDINESS TO SCHOOL AND TO CLASS POLICY

All students are expected to be in school and in class on time as listed on the bell schedule. There is adequate time between classes and before school for students to arrive on time. Students should be in the classroom or gym when the tardy bell begins to ring. *Teachers have the discretion to send students to receive a TAP if they are not in their class when the bell rings as long as the teacher has made the expectations clear to the students.*

Procedure

Students who are not in class on time will be required to report to the Attendance Office in room A2. The Attendance Administrator will process the student and assign consequences when needed. Tardy consequences range from a Restorative Essay to out-of-school suspension. A late permit will be given for admission to class. Students who arrive at the Attendance Office more than five minutes after the bell may be considered AWOL.

SECTION V. STUDENT CONDUCT

STUDENT BEHAVIOR

The Student Conduct Behavior Code of Gwinnett County Public Schools provides standards for acceptable conduct of our students. This includes the consequences for not meeting our standards of conduct. Furthermore, this Code of Conduct establishes our policy of conduct that pertains to endangering the safety of the school and/or disrupts the educational experience for other students. The complete Student Conduct Code of Gwinnett County Public Schools and the GCPS Student-Parent Handbook may be found on the school and county websites (www.gcpsk12.org/brookwoodhs and gwinnett.k12.ga.us). All GCPS students and parents are expected to review the GCPS Student Conduct Behavior Code.

THE PURPOSE OF THE STUDENT CONDUCT BEHAVIOR CODE IS AS FOLLOWS:

To ensure an environment for teaching and learning that is safe and protected from disruption and harassment.

To provide information to students and parents about rules and regulations (expected student conduct) of the school system and possible penalties for violations of these rules and regulations.

To provide uniform administrative and disciplinary procedures in the local schools.

To provide for enforcement of school disciplinary rules when the student is:

- on school property or on the way to or from school;
- in attendance at school;
- or at any school sponsored activity, including activities outside of the calendar school year;
- or engages at any time or place in conduct that has a direct effect on maintaining order and discipline in the schools and/or the learning environment.

Local school administrators have broad discretion to determine consequences for most student misconduct at the local school level.

The range of consequences for misconduct that can be assigned by a local school administrator may include but are not limited to:

- Student Conference
- Parent Conference
- Restorative Practices
- Lunch Detention

- Out-of-School Suspension (OSS) up to 10 days (per occurrence)
- Referral to a Student Disciplinary Tribunal which may result in long-term suspension or expulsion.

Depending upon the severity of the offense, Safety and Security may be contacted for referral to law enforcement officials.

All rule violations handled by an administrator are cumulative over a student's Gwinnett County career.

DISCIPLINARY ACTIONS

LEVEL I DISCIPLINE:

Consequences may range from a conference, teacher detention, counselor referral or other classroom-based interventions.

LEVEL II DISCIPLINE:

Consequences may include an administrative conference, administrative detention, counselor referral, parent conference, loss of extra-curricular privileges or other administrative interventions.

LEVEL V DISCIPLINE:

Consequences involve up to 10 days of out-of-school suspension pending a disciplinary tribunal for consideration of long-term suspension, placement in an alternative program, or permanent expulsion.

The discipline scale may be altered and/or changed at the discretion of the administration.

If, in the judgment of the administration, a student is dressed inappropriately for school, the student may be required to change clothing and/or may receive consequences.

ELECTRONIC DEVICES & SCHOOL TECHNOLOGY USE

Being responsible stewards of electronic devices and practicing digital citizenship are important skills for students.

Important: New Cell Phone Policy at Brookwood High School

We will be implementing a new cell phone policy this school year in order to protect instructional time and students' ability to learn. ALL cell phones and other personal electronic devices are expected to be **put away and out of sight during all class time**. This means no phones out during lectures, group work, independent study, or any other instructional periods. Our goal is to make sure everyone can concentrate on lessons and participate without distractions.

When can you use your phone? We understand that your phones are important for staying connected. You will be allowed to check and use your devices during **transition times between classes and during your designated lunch period**. Please respect these designated times for phone use.

Anytime a student leaves for the restroom, cell phones should be left behind in the classroom.

What happens if you use your phone during class? We want to help you remember this new policy, so here's how we'll handle it:

3. **First Time:** If your teacher sees your phone out during class for the first time, you'll receive **one verbal warning** and be asked to immediately put your device away. This is a reminder to help you get back on track.

4. **Second Time (and after):** If there's a second or any ongoing incidents of your phone being out during class, your teacher will contact your parent or guardian to let them know. This information will also be shared with your grade level office, and appropriate disciplinary consequences will be assigned.

Attempting to deceive staff by claiming to put away your cell phone while secretly possessing a secondary device will be considered a breach of trust and will result in heightened disciplinary action.

We believe this policy will help create a better learning environment for everyone. Your cooperation is key to making this successful and ensuring that all students can focus and succeed. If you have any questions, please talk to your teachers or a staff member.

In addition, electronic devices should not be used in the following situations:

- To film or take pictures
- In a way that can cause disruption or distraction to the learning environment
- During any assessment, ANY electronic device (including, but not limited to, cell phones and smart watches) visible during ANY assessment can be considered cheating. At no time during an assessment should an unauthorized electronic device be visible or accessible.

Exceptions, changes, and additions to the Brookwood High School Electronic Device Policy may be made by the principal or his/her designee for specific reasons.

Brookwood High School is not responsible for loss or theft of electronic devices. It is the responsibility of the student to secure these items of value.

Acceptable Use of Electronic Media for Students

At Brookwood High School, technology is an important instructional resource. The use of Gwinnett County Public School (GCPS) computers is a privilege, not a right. Failure to follow school rules and the guidelines established in the GCPS Student Conduct Behavior Code will result in disciplinary action that may include restricted or denied access to school computers and other instructional technology tools.

The following guidelines are in addition to the Acceptable Use of Electronic Media for Students Procedure published in the GCPS Student/ Parent Handbook.

1. Students will use school technology for educational purposes only.
2. Any student who intentionally damages and/or vandalizes any hardware or software will receive an administrative referral for school property abuse and may be held responsible for the cost of repairing or replacement of the damaged item.
3. Students are not permitted to copy school software or bring software from home to install on the school machines.
4. Students will be held responsible for information viewed, received, and sent when using the Internet.
5. Students will not attempt to access personal data or e-mail of others, including peers, teachers, and administrators, or try to break desktop or network security on any GCPS machine.
6. Students will not share passwords.

Failure to follow GCPS and Brookwood High School acceptable use of electronic media guidelines will result in an administrative referral and a minimum of a level I consequence as defined in the GCPS Student Conduct Behavior Code.

Students should be aware that conduct violations related to technology use may also constitute

criminal offenses punishable by law. In accordance with Georgia Criminal Code 16-9-93:

1) Any person convicted of the crime of computer theft, computer trespass, computer invasion of privacy, or computer forgery shall be fined not more than \$50,000 or imprisoned not more than 15 years, or both.

Any person convicted of computer password disclosure shall be fined not more than \$5,000 or incarcerated for a period not to exceed one year, or both.

EXTRA-CURRICULAR ACTIVITY CONSEQUENCE

If a student attends any extra-curricular activity possessing or under the influence of alcohol or illegal drugs, he/she will be suspended from all extra-curricular activities for a time period of six (6) school calendar weeks. The student(s) will also receive consequences outlined in Gwinnett County Student Disciplinary Policies. Gwinnett County Public Schools has instituted an Athlete Code of Conduct beginning in 2011-12. All our athletic teams already have team rules in place. The county policy is a minimum standard. Local schools and coaches can make rules that are more stringent than the county minimums. Any student in violation will also be reported to the School Resource Officer (SRO). ***A student disciplinary tribunal decision will supersede the above.***

FIGHTING

Any student involved in a fight will be subject to the consequences outlined in the Gwinnett County Student Discipline Handbook. In addition, students involved in a fight may face criminal charges.

Any student filming or otherwise encouraging a fight in progress can be subject to discipline consequences.

FOOD AND DRINK

SECTION VI. STUDENT ACTIVITIES

Brookwood offers many extracurricular activities for all levels of student involvement. We believe that many opportunities for growth and enrichment can be found through student participation in athletics, academic clubs, service organizations, and career-focused activities.

Attendance

Students must attend school at least three full class periods to be eligible to participate in extracurricular activities for that day. Students who are serving In-School Suspension or Out-of-School Suspension are not allowed to participate in practice or games on the date of the suspension.

Eligibility Regulations

Brookwood High School offers the opportunity for students to participate on various athletic teams and in academic activities. Team membership is subject to tryouts and Georgia High School Association regulations. In order to be eligible to compete in athletic and/or academic competitions, students must have passed at least five subjects the preceding semester and be on track for graduation. In other words, sophomores must have five units, juniors must have eleven units, and seniors must have seventeen units. A student also must meet the residency requirement for athletics, i.e., live in the Brookwood school district.

Field Trips

A student must obtain each of his/her teachers' signatures confirming their grade in the class. Failure to follow this procedure could result in disciplinary action. The student is responsible for making up any work missed during his/her absence. Parents and students should give careful consideration to participating in an off-campus activity if the student does not have a passing grade in all his/her classes. Students who are not passing all classes may not be allowed to participate in an off-campus activity. Lack of attendance and/or discipline history may also affect eligibility for participation. Parents and students should be aware that there is no guarantee of refunds for deposits or prepaid trips.
