The Northshore School District does not discriminate on the basis of sex, race, color, national origin, disability, or age in its program or activities. The Northshore School District offers classes in many career and technical education program areas under its open admissions policy. With over 80 different course offerings in pathways such as Business/Marketing, STEM, Health Science, Manufacturing, Trades, and Human Services, all Northshore School District students are ensured an equal opportunity to explore a variety of potential careers while earning valuable 21st century skills. Lack of English language proficiency will not be a barrier to admission and participation in career and technical education programs. For more information about CTE course offerings and admissions criteria, please contact Director of Career and College Readiness Mr. Damen Schuneman, dschuneman@nsd.org or phone 425-408-7718. The following people have been designated to handle inquiries regarding the nondiscrimination policies:
