

North Kitsap School District #400

Facilities Advisory Committee Meeting #11

5.12.2025

NKHS Technology Building

1780 NE Hostmark St

Poulsbo, WA 98370

Meeting start: 6:00 pm

Meeting Facilitators:

- Michael Davis, Principal Bassetti Architects
- Jordan Kiel, Principal Bassetti Architects

Discussion:

Michael Davis and Jordan Kiel reviewed capacity and cost summaries for two additional scenarios requested at the 4/21/2025 FAC meeting.

Scenario 1: K-4 at ES, 5-6 at MS, 7-12 at HS

- Requires some expansion at KHS
- New Pearson ES can be a little smaller without 5th grade
- Move Choice to KMS building 2
- Leaves more \$ for district-wide maintenance needs and CTE improvements at NKHS (for the sake of comparison, this is on an assumed \$124m levy)

Scenario 1: K-5 at ES, 6-12 at KHS

- Requires more expansion at KHS than scenario 1
- Move Choice to KMS building 2
- Leaves KMS mostly empty
- New Pearson ES is a little bigger to include 5th grade

Discussion

- Some FAC members questioned whether it is best to move Choice
- What does moving 7-8th grade do to sports opportunities for the students?
- 5th graders seem ready to move up and out of ES
- Would like to see the upgrade of the path between KMS and KHS prioritized
- In scenario 2, what does NKSD do with the KMS building? Could it be leased to a community partner such as Olympic College?
- FAC would like to see the follow scenarios at the next meeting:
 - 5-7 at MS and 8-12 at HS
 - 5-8 at MS and 9-12 at HS
 - 1 HS and 1 MS for whole district. Use KHS as the MS
