## SUMMMER EDITION 2025

### Principal's Corner - By: Tom Breuning

Welcome to the 2025–26 school year at Centennial High School. Whether you are joining us for the first time or returning for another year, we are excited to welcome all students and families to our school community, especially the Class of 2029, our incoming ninth graders.

Centennial High School is proud of its strong tradition of academic excellence. We offer a wide variety of courses and programs designed to support the diverse needs, talents, and goals of our students. Our focus is on creating a positive and inclusive school environment where students feel encouraged to grow both academically and personally.

We believe that strong communication between home and school is essential for student success. To help keep families informed and engaged, we offer many communication tools including the CHS website, Cougar News, School Messenger, Campus Messenger, staff emails and phone calls, scheduled teacher meetings, parent-teacher conferences, the Parent and Student Portal, the Parent Advisory Committee, and informational events hosted by our Support Services team.

We are looking forward to partnering with you this year and supporting your student throughout their high school journey.

As we prepare for the start of the school year, please take note of the following important dates:

- Student schedules will be available online through the Parent and Student Portal starting at 7:00 a.m. on Tuesday, August 19.
- Fall Kick-off and school pictures will take place on Tuesday, August 19, from 1:00 p.m. to 7:00 p.m.
- The Meet Your Teachers event is scheduled for Tuesday, August 26, from 3:10 p.m. to 6:10 p.m.

Additional details and important updates are included throughout this edition of Cougar News. We are looking forward to a great year ahead at Centennial High School.

Centennial High School is committed to upholding and maintaining the District Roadmap of Connecting, Achieving, Preparing.

# CHS Cell Phone Guidelines - Clarification

The following serves as a clarification of our guidelines regarding cell phones and other electronic device usage. Please be aware that additional procedures are outlined in the Student Handbook, which is available on the high school website. To maximize learning opportunities for students and to encourage our students to be safe, respectful, and responsible, CHS has the following guidelines for students.

**RED Zones** are times and places where cell phone use is unacceptable, and they should be put away, silenced, with notifications turned off and/or placed in a location determined by a teacher’s classroom procedures.

**GREEN Zones** are times and places when cell phone use is acceptable.

Green	Red
Before/After School	<u>Classrooms</u>
Cafeteria and Hallways	Restrooms/Locker Rooms
Lunch/Passing Time	Any time staff asks you to put it away
When your teacher gives permission	Testing Centers

## Cell Phone Privilege Guidelines

### ***Act Responsibly***

- Phones must be put away in a **RED** zone
- Earbuds/Air pods/Headphones must be put away in a **RED** zone
- Standard classroom procedures – every classroom is a **RED** zone, and a teacher/staff may issue a **GREEN** zone\_at their discretion.
- Only use your phone in a **GREEN** zone
- Follow directions from staff
- If you feel you **MUST** use your phone in a **RED** zone, ask and receive permission first

### ***Act Respectfully***

- Be courteous with your phone
- Volume OFF or use headphones when in a **GREEN** zone

- Turn off your notifications
- Put your phone away if asked by a staff member
- Hands off others' phones and other electronic devices

### ***Act Safely***

- Use your phone appropriately
- Think before you post on social media
- Do not take pictures/videos of others without permission

## District Immunizations & Annual Update Information

### **Immunizations: Important Please Read**

Minnesota law requires children enrolled in childcare, early childhood education, or school to be immunized against certain diseases, unless the child is medically or non-medically exempt. Children having incomplete immunization records will not be allowed to remain in school after October 31st, 2025. What you need to do:

- Contact your health care provider and review your student's immunization status to make sure they are up to date.
- If you missed a required vaccination, make an appointment with a healthcare provider or local clinic as soon as possible.
- Follow up with your students' school if they have reached out to you regarding your students immunization status.
- Turn in medical (must be signed by health care provider) and non-medical (must be notarized) exemption forms to your child's school.

Visit [health.state.mn.us/people/immunize](https://health.state.mn.us/people/immunize) for vaccine schedules, exemption forms, and more information including where to get free/low-cost immunizations. Check the Campus Parent Portal for the immunization status of your K-12 student.

### **Annual Update Information**

Each year families are required to review and update annual data for students such as annual notifications, agreements, emergency contact information and preferences, ...etc.

This process is completed online through Campus Parent Portal and will be open in August. Specific details will be sent to parent guardians as the process opens. For more information regarding parent technology accounts, please visit the ISD12 website:

<https://www.isd12.org/departments/technology>

## Parking Permits - 1st Semester Application Process

### **1st Semester Parking Permit 2025-26 Information**

#### **[ONLINE Parking Permit Application Registration](#)**

#### **Who:** Seniors & Juniors

Please note: Sophomores are not included in this application process. Sophomores would only be eligible if permits are available after the Seniors & Junior application process is completed. This would be a completely separate application process in the 2nd week of the semester for Sophomores.

**When:** Tuesday, August 12th at 7:00 am through 8:00 am Thursday, August 14th, 2025.

**How:** Access link from home computers, mobile devices

**Where:** link can be found on CHS website. Students must be signed into their isd12 Google account to access the application.

#### **What information you will need:**

- Student Name, grade and e-mail address
- Vehicle Make, Model, Color, license plate number for all vehicles
- Student transportation needs (i.e.: 916/OEC program, work experience, open enrollment, mentoring, peer leader, activities/athletics, carpooling etc.)
- Carpooling student names, email address, and vehicle information
- Student activities information
- Applications will be time stamped when entered

#### **Special Notes: Parking Permit Application Criteria**

- 125 to Seniors with carpools
- Open Enrollee's, OEC, Part-Time PSEO, Work Experience Program, etc. (any educational service that is done for credit, but the school district does not provide transportation).
- Seniors that are Carpooling \*AND in Activities
- Juniors that are Carpooling \* AND in Activities
- Seniors that are in Activities
- Juniors that are in Activities
- Seniors that are Carpooling\*

- Juniors that are Carpooling\*
- Seniors that ride alone
- Juniors that ride alone

Due to the limited parking spaces available, student and families should not expect a permit, even if they had one for a prior semester. This criteria system will best serve the most students possible.

- Because of limited availability, 9th and 10th grade students are not factored in as part of carpools.

#### **Cost of parking permits per semester:**

Centennial High School student parking permits will cost the same for all student parking lots. The price will be \$150.00 per semester. Students will be issued a physical parking tag and they must have it displayed in their vehicle when parking on campus. Student parking lots will cost the same amount and all spaces in the 3 student parking lots will all be available to student permit holders on a first come, first pick each day. There will be NO differentiation on the student parking lots as far as where students can park with their 1st semester permit. The lots formerly known as the Front, Stadium, and Back Lots will be open for whomever parks in the lot depending on the time the student arrives at school.

Please note that the Union Lot will no longer be a student lot. A map of the 3 student parking lots will be included at the end of this notice.

**\*\*\* Students must have all fees and fines paid before they will be allowed to pay for and pick up their parking permits.**

Students that are eligible to receive a permit will be notified by email AND a list will be posted in the East Office by Tuesday, August 19th, 2025.

Students can pay for their parking permits beginning August 19th online through the Infinite Campus Portal under fees. After paying for the parking permit the actual parking permit tag can be picked up in the **East Media Center** during Fall Kick Off, Tuesday, August 19th from 1:00-7:00pm. After that time, permits can be picked up in the East Media Center Monday-Thursday from 7-3.

Students need to pay for and pick up their permits by the end of the first day of school, Wednesday, September 3rd or they may forfeit the permit.

Families should pay for their parking permits online through the Parent/Student Portal in Infinite Campus. If an accommodation is needed for a family to pay by check, please be aware that if the check bounces the permit will be revoked until proper payment is made.

After the Junior and Senior parking applications process has been completed, if any 1st semester permits are still available, an application process for Sophomores will be made available. This is **NOT** a guarantee, and 10 grade families should **NOT** expect to be able to purchase parking permits.

This will be a separate application process and 10th grade families will be notified if this opportunity is available during the 2nd week of 1st semester.

Attached you will find a quick guide to 9th-grade orientation that includes everything you need to know about your 9th-grade students' first day at Centennial High School. *Please note that the schedule for 9th Grade Orientation is subject to change; Should changes be necessary, additional notification will be sent out to families.*

## CHS Dance Guidelines

### 2025 - 2026 Centennial High School Dance Guidelines

- Students wishing to bring a guest to a dance who is not a student at CHS must pick up a guest clearance form from either office and have it signed by an administrator.
- Students are allowed to bring **one guest**:
  - Homecoming Dance: Only students enrolled in a secondary School
  - Prom: Only students under the age of 21 years old
- No guests will be admitted without the appropriate clearance form and proper ID.
- Guests who are unable to provide completed clearance forms and/or are not enrolled in a secondary school setting will be subject to a criminal background check at their own cost.
- Upon an informal interview, the Principal and/or the Principal's Designee have the right to deny any guest from attending CHS dances or functions.

**\*\*Any event/behavior that has a disciplinary action may cause a student to lose extracurricular privileges, including not being allowed to attend a school dance.**

## 2025 - 2026 PSAT/NMSQT & ACT Testing Information

### 2025 PSAT/NMSQT INFORMATION

The Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test is offered each fall to all students in their junior year of high school. Junior students planning to attend a four year college are encouraged to register for the test. Sophomore students may also want to take the PSAT to become familiar with the test format before taking it as juniors.

The Preliminary SAT/National Merit Scholarship Qualifying Test is a co-sponsored program by the College Board and National Merit Scholarship Corporation. This standardized test provides firsthand practice for the SAT Reasoning Test. Scores from the PSAT are used to select the top students nationwide to compete for scholarships through the National Merit Scholarship Corporation scholarship programs.

This nationally standardized test allows students to compare their performance with other college bound students. This test measures critical reading skills, math problem solving skills, and writing skills and provides the opportunity for students to experience a college entrance test in a practice setting. Following the test, students receive feedback about their performance on these critical academic skills. Students also have the opportunity to receive information from colleges. Additional information about the PSAT is available at [www.collegeboard.org](http://www.collegeboard.org)

The College Board determines the PSAT testing date. Centennial High School will provide the test to interested students on Thursday, October 16, 2025, from 8:00 AM - 12:00 PM at Centennial High School. **Please note that this is the Thursday of MEA break.** The non-refundable fee to cover the test and its administration cost is \$40. When registration opens, the payment method will be communicated to families in the fall. Registration is scheduled to open Monday, August 18, 2025, and close Friday, September 5, 2025.

### ACT TEST INFORMATION

Students who plan on attending a four-year college or university can take the ACT exam toward the end of their Junior year. ACT has a 30-minute Writing Test as an optional component of the ACT assessment. To find out which colleges are requiring the Writing Test or to register to take the ACT, visit [www.actstudent.org](http://www.actstudent.org). Due to security enhancements, students are required to upload a photo of themselves when registering for the ACT. This photo will be printed on their registration ticket and matched against their ID on test day.

\*If the college you are applying to requires the SAT, visit [www.collegeboard.com](http://www.collegeboard.com) to see the list of test dates and registration information.

## CHS Opt-Out Information: Military, Student Directory, Media

The No Child Left Behind (NCLB) Act requires high schools to provide to military recruiters and colleges and other higher learning institutions, upon request, access to names, addresses, and phone numbers of high school juniors and seniors. If you do not want the Centennial School District to disclose this information without your prior written consent please update this information in the Annual Fall Update in Parent Portal (available mid-late August). **\*\*This is something that needs to be updated/renewed every school year.**

Student Directory Information is public unless you provide the District with the appropriate documentation indicating your request to make the information private. To request the student directory information be private you will need to update this information in the Annual Fall Update in Parent Portal (available mid-late August). **\*\*This is something that needs to be updated/renewed every school year.**

There are occasions when representatives of Centennial Schools and/or the media photograph or videotape students while in school or attending/participating in school-sponsored functions. If you choose not to have your student photographed or videotaped, you will need to update this information in the Annual Fall Update in Parent Portal (available mid-late August). **\*\*This is something that needs to be updated/renewed every school year.**
