

2025-26 School Calendar

July 24, 2025

Hello POB School Community,

I am interrupting your summer with just one quick update!

The printed school calendar should arrive in mailboxes the week of August 11th. But since we know many of you are already planning ahead, we have made the calendar available online for your convenience, you can view it [here](#).

Please note that the digital version of the calendar is updated throughout the year, with regular updates beginning in September.

Now, back to your summer!

Warmly,

Dr. Mary O'Meara
Superintendent of Schools
