Dear Parent/Guardian:

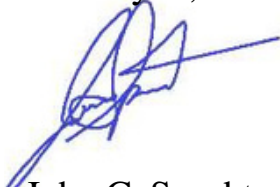

We are pleased to have the opportunity to transport your child to and from school. In an effort to create safer and more efficient bus routes this year, we are requiring that you let us know if you will be using bus transportation by filling out a short questionnaire at <https://forms.gle/KK3kLpxte7U2FWy59>, or by scanning the QR code below.

Note: If your child already rides the bus and does not require a change, you do NOT need to fill out this form. Only those who are new to using bus transportation or those who require a change need to complete the form.

If you are unable to fill this form out online, please call the Transportation Center at: (716) 569-7035.

The deadline to request transportation is **August 15th** to allow us time to construct bus routes prior to the start of school. Again, we ask that families of students **who do not currently ride the bus or those who wish to change their bus schedule** make their requests prior to this date.

Thank you,

John C. Spacht
Director of Transportation
