Dear McClure Mustang Families,

I would like to extend a warm welcome to you and your student(s) to McClure E.S. As a critical stakeholder in our school community, we welcome your ideas, communication, and support. We hope that you will choose to be involved in your child's education by establishing regular communication with your child's teacher, supporting your child with his/her homework, and participating in the many events and volunteer opportunities that occur throughout the school year.

Having gained input from the district, parents, community members, and staff members, we have compiled a parent handbook of information we hope you will find useful. Important phone numbers are also included.

Throughout the year, important information will be sent home with your student, sent out on *Talking Points*, listed on the McClure website, posted on our FB page at *McClure Elementary School*, and/or stated on the marquee'. Please keep the handbook accessible and refer to it frequently throughout the school year as needed.

Talking Points is an App on your phone that we are asking every parent to download. This will provide an opportunity for individualized **real-time** two-way communication as needed **in the language spoken in the home**.

In addition, our younger students (PK - Kinder) will arrive home with either a daily or weekly Yellow take-home folder that provides an opportunity for parent-teacher communications. We are asking that you review these **daily**, discuss them with your child, and sign your child's folder/agenda when requested by his/her teacher. Please take advantage of this daily communication opportunity to express any concerns, information, or appreciations to your student's teacher.

At McClure, we offer many events and services for students, parents, and the community; the staff and I are dedicated to providing your family with high quality educational experiences.

We look forward to partnering with you to help your child reach his/her full educational potential. It's going to be a great year!

Sincerely,

Dr. Ronda Kesler, Principal

McClure Core Beliefs

We believe that every attempt should be made to maintain the dignity of both the adult and the student.

We believe that students should be guided and expected to solve the problems they create without making problems for anyone else in the world.

We believe that students should be given the opportunity to make decisions and live with the results, whether the consequences are good or bad.

We believe that misbehavior should be handled with logical/natural consequences instead of punishments whenever possible.

We believe that misbehavior should be viewed as an **opportunity** for individual problem solving and preparation for the real world as opposed to a personal attack on the school or staff.

We believe that students should have the opportunity to tell their side of the story (due process) when consequences appear to be unfair.

ATTENDANCE AND ABSENCES: (District Policy 2204 and 2614)

- Daily attendance in public school is required.
- Students arriving after 8:00 a.m. will need to be accompanied by an adult into the office, providing the clerk the reason for tardiness.
- If your child cannot come to school, report the absence by calling the main office and report the reason for the absence **before** 8:30 a.m. The phone number for the main office is 918-746-8760
- Poor Attendance Outcomes: If you do not contact the school, the absence will be considered an unexcused absence. Frequent tardies and absences affect your child's academic progress and self-esteem. Additionally, a high frequency of tardies and/or absences may cause your student to be reported to the district Truancy Officer, resulting in a Court appearance and fines. Lastly, students with excessive absences may be dropped from After-School programming or refused transfer at the end of the year..

- Absence Reporting on Power School: for an absence to be considered Excused (marked E) a doctor’s note or other documentation is required. If a parent calls in to report an absence but does not provide documentation, it will be marked with a W (with explanation). If no documentation or phone call is provided, the absence will be marked with an A.
 1. Student illness. If a student is **absent, make every effort to provide a doctor’s note**
 2. Death in the family or family emergencies
 3. Head lice removal—2 days are considered “explained”; days after that will be considered unexplained
 4. *Students with regularly scheduled appointments or frequent absences will be asked to show an appointment card or bring a doctor’s note; please make every effort to set appointments AFTER school.*
- Students who have several consecutive unexcused absences will be automatically dropped from enrollment. When the student returns to school after a 10 day unexcused absence, a parent must take a proof of address to the Enrollment Center and re-enroll the student. If the student is at the school on a transfer, this may affect whether or not the child will be allowed to return the following school year.
- Tardy - Reporting to school at 7:31 and after, constitutes tardy
- Truancy - Failure to report to school without a valid excuse or skipping school constitutes truancy

Four Year-Old (Pre-Kindergarten) Program:

- The four-year-old program is a full day program. Hours are 7:30-2:35
- Daily attendance is REQUIRED if you choose to enroll your student in PK

If You Move During the School Year. . .

You are encouraged to take your child to your new neighborhood school and enroll in the new school, OR, you may choose to remain at McClure Elementary School (MES) for the remainder of the school year. If you choose to remain at MES, you will need to provide transportation and your children will need to be *on time* and *maintain a good attendance* record. If attendance becomes a concern, the principal may elect to deny continued enrollment at MES for the following school year and request that your child attend his/her new home school. To remain at MES the following year, you must apply for a transfer at the Enrollment Center. Attendance is critical for your child’s learning. **Consistent tardiness and frequent absences may cause a revocation of a transfer.**

MAKE-UP WORK

- Students with excused absences will be given make-up work AFTER their return to school. The student will have two days for each day missed to make up the missed work. If work is not completed or late, late penalties or low grades will be applied.
- Please contact your child’s teacher to arrange for make-up work through the main office or teacher email

HOMWORK POLICY: All students should read for approximately 20-30 minutes daily with an adult (littles) or on their own, AND practice math facts daily appropriate to their grade level

- Time is provided in class for students to complete their work. For students in 3 - 5th who don't finish it, they will need to take it home and complete it as homework that evening and return it the next day.
- Please check your child's agenda or communication folder on a daily basis, and assist them as needed
- Set aside a time and place for your child to complete his/her homework on a daily basis. Turn the TV off to reduce distractions
- Remind your child and supervise your child's placement of his/her homework in their backpack the night before to assist the return of the homework

EMERGENCY CONTACT LIST: Emergency contact lists are used by the school if they are unable to contact the parent. If the parent needs someone other than themselves to pick up the student, the parent must call the school in advance to let them know who is coming to pick up their child AND that individual must ALREADY be on the emergency contact list. Use the link below:

- New Student: www.enroll.tulsaschools.org/login;
- Returning Students: https://tulaschools.sjc1.qualtrics.com/jfe/form/SV_cCSRVVjAASTE8fQ
- EMERGENCY PHONE NUMBERS:
To ensure the safety of your child, the school requires a minimum of TWO emergency contact numbers. Please update the school when changes occur. Parents must maintain current and correct Emergency Contact Lists **AT ALL TIMES!**
- Only those listed and have a photo ID are allowed to pick up a student.
Any new contacts that are added or deleted MUST be made in writing and given to the front office clerk
- Parents must understand that if the Emergency Contact name isn't on the list, a student will **NOT** be released to that individual, even if it is on his/her sibling's contact information; this is for the safety of your child
- If you have a **restraining order or custody papers** naming only one parent as the legal guardian, a copy must also be on file at school. *The child must be named* in the restraining/custody order for it to be valid.
- Court orders cannot be changed without a new Court Order being presented to the school
- **A student will NOT be released to an emergency contact individual unless the parent has called the Main Office to let us know whom they are sending, OR, contact has been initiated by the school if the parent cannot be reached.**
I.e. An emergency contact comes to the school and requests _____ to be pulled out of class; this will **only** occur if 1. The parent/guardian has already called the school to let us know, and 2. The individual has a valid photo ID.
- We cannot release children to persons who are not listed on the emergency contact sheet.

- KEEP YOUR PHONE NUMBER CURRENT WITH Teachers and MAIN OFFICE STAFF

GUEST PARKING

- You may park in the front parking lot on the North side of the building
- Loading and unloading ONLY on the Front Circle Drive in front of the school – You Must Stay In Your Vehicle At All Times; enter off of the Yorktown entrance

VISITORS: **Parents, PLEASE make sure we have EMERGENCY NUMBERS on file!

- Parents are only allowed into the classrooms during the school day who have a **prior appointment** with the teacher or are Volunteering in the classroom; a volunteer form must be completed and approved by the principal prior to the parent volunteering in the classroom
- Parents who come during school hours must first confirm the appointment through the front desk clerk with the school personnel s/he is meeting with, check your photo ID, and wear a Visitors Name Tag before going into the building

STUDENT PICK-UP

- Students will not be released after 2:00 except in the case of an emergency. Students miss valuable information at the end of every school day!
- Early release is only allowed in the case of a medical/family/student/weather emergency. If, in the event an early release is absolutely necessary, the guardian must sign the student out in the main office; procedures will be strictly adhered to:
 1. Per district policy, the adult picking up the child must be on the student's emergency contact list – it is critical that you keep these updated. If the parent/guardian is not the individual picking up the student, the parent must call the Main Office to inform them of the emergency contact person who will be picking your child up; the clerk will confirm at that time that the adult is on the emergency contact list; a new emergency contact will not be allowed to be added over the phone
 2. In addition, the adult picking up the child, per district policy, must have photo identification (i.e. Driver's license, workplace ID, college or career school ID, etc.). It will be checked **every time** your child is picked up prior to the end of the school day.
 3. Abuse of Early Release will be addressed on a case by case basis with administration
