What we do....

It's not just scheduling!!

Course selections ended in the spring! Do not send emails requesting course, period or teacher changes. The only changes at this time, will be for level changes, athletic or fine arts placements and balancing!

Now let's get to work!

- **Let us help you with study skills, time management, social skills, academic planning, and more..**
- **Email your counselor if you have academic and or personal needs we are here for you.**

Need to see a counselor? Email your counselor for a visit or stop by with a valid pass from your teacher.
