THE CARDINAL REPORT**

Serving students, parents and our community

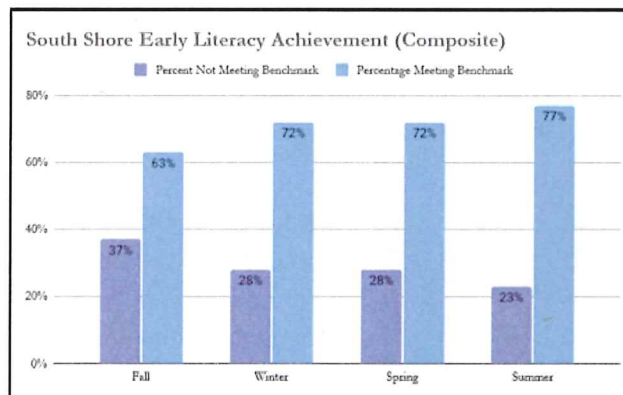

A School Year In Review

Danielle Mikula, Superintendent

Thank you to our parents and community for your contributions to a fulfilling and impactful school year at South Shore! From the first days of school in September all the way through graduation, our staff and students have made significant progress and have much to be proud of. While it is impossible to capture all of the memories and accomplishments of the school year, here are a few highlights related to our four strategic goal areas:

- Districtwide math proficiency increased by +18% since 2023.
- Districtwide reading proficiency increased by +11% since 2023.
- Percentage of Juniors and Seniors who completed an Advanced Placement course increased from 0% in 2022-23 to 29% in 2024-25.

- High school junior Addy LaFontaine crushed the school records for 100m Low Hurdles, Long Jump and Triple Jump.
- Sophomore Sophie Truchon dominated the 1600m run and set a new school record.
- Expansion of new youth sports opportunities (basketball, track and soccer) with family participation and community volunteers.
- Our middle and high school students spent a day volunteering and serving our local community for our annual Community Service Day.
- Two students achieved PERFECT ATTENDANCE: Kaylee Rose and Owen Zakovec.
- Expanded summer school hours and opportunities for students.

- Early Literacy Scores increased from 63% in the fall to 77% at the end of the school year.
- The District Forensics Team earned a Distinction in Speech Award for placing in the top 10% of 300 districts.
- All Strategic Milestones and Priorities 2024-25 were accomplished.
- Ten South Shore musicians traveled to Eau Claire to compete in the State Solo-Ensemble Festival.

(Continued on top of page 2)

(Continued from page 1)

- South Shore Student Council completed their Cardinals Care Project with a donation of over 1,000 items to those in need. High school Art students painted a beautiful mural at the Court Manor Nursing Home in Ashland.
- South Shore Battle of the Books students made us proud competing in Ashland after spending the year reading many books and deepening their love for reading.
- The amazing South Shore PTO collaborated with us on several events including Staff Appreciation, Harvest Dinner, Last Day of School.
- South Shore Education Foundation continued generous donations including the CNC Plasma Table, support of youth sports expansion, field trips and musical experiences for students, and the hosting of the Community Thank You Square Dance Event.
- ...And **SO MANY** more celebrations!

What is Coming Next?

Our team has much to be proud of, and yet we also have a relentless energy to keep growing and improving for our students. It is hard to believe we are heading into the final year of our current strategic plan, which means it is time to engage stakeholders to develop the next one. Our Board of Education has approved a Strategic Planning Committee that

will commence in the Fall of the 2025-26 school year. The goal is to use a collaborative process leading to an updated vision statement, values, and clear district goals for a 5 Year Strategic Plan to be ready by June of 2026.

How Can I Be Involved?

Together, our Board and administrative team would like to invite a variety of representative stakeholders to be members of the Strategic Planning Committee. The committee will work hard to look at district data and share perspectives in order to provide consensus-based advisory recommendations to the Board to shape the 2026-2031 Strategic Plan. This committee will follow a

process to build consensus with the help of a facilitator. The commitment requires attendance at all of the following dates and times:

1. Stakeholder Meeting 1: Friday October 24 (8am-3:30pm)
2. Stakeholder Meeting 2: Saturday October 25 (8am-12pm)
3. Stakeholder Meeting 3: December 3 (8am-3:30pm)

If you are invested in the future of the district and would like to be a part of this work or learning more, please contact Superintendent Mikula at dmikula@sshore.k12.wi.us or 715-774-3167. Thank you for your incredible engagement and support over this wonderful, unforgettable school year. Go Cardinals!

A circle to remember!

This spring, the musicians in grades 9, 10, and 11 joined together to create a unique musical performance! We selected some songs we were familiar with, and some new material, and improvised our own drum circle to perform at Valley Fair.

The process was fun, the performance well done, and the day in the park unforgettable.

Middle and High School students put their balance and stability to the test last week as they practiced on slacklines!

Congratulations to South Shore High School's newest National Honor Society members!

We're thrilled to announce that two amazing students were recently inducted into the National society:

Addy L. and Chalee Luzzatto!

These lady Cardinals truly embody the four pillars of National Honor Society: scholarship, service, leadership, and character.

We're so proud of their dedication and all they bring to our school and community. Join us in congratulating them!

Addy L., & Chalee Luzzatto

Student Council Cardinal Care Project

The members of the South Shore Student Council made a massive donation from their Cardinals Care Service Project! They worked with 3 area locations to develop the list we provided in April for the collection, and collected over 1000 items to be donated! We were met with open arms and some grateful tears this week from when we traveled to bring the items.

What an incredible honor it is to grow up in a school and community that devotes time and resources to helping others. We are so grateful for the donations and the opportunity to be of service. In the words of the students, "When we have the ability, why wouldn't we help?"

Thank you so much to each and everyone that donated something for this project. You make a lasting impact on those in need within our area.

WISCONSIN DEPARTMENT OF
Public Instruction

When School's Out, Summer EBT is Here to Help!

Summer EBT (Electronic Benefit Transfer) is an income-based program that helps families buy food for their children while school is out. Wisconsin will send \$120 for each child who qualifies. You can use these benefits anywhere that FoodShare benefits are accepted, like most grocery stores, many convenience stores, and some farmer's markets.

Your child should get benefits automatically if:

- Your child was approved to get free or reduced price meals at their National School Lunch Program school.
- You have given your child's school an alternate household income form that shows you meet the income requirements for Summer EBT.
- Your child is school-aged and your household is part of FoodShare, W-2, the Food Distribution Program on Indian Reservations, or an income-based Medicaid program; or if we know they are a migrant, in foster care, or experiencing homelessness.

Watch your mail towards the end of June! If your family qualifies, you'll get a letter about your child's benefits.

Getting Summer EBT will **not** affect your child's or family's immigration status.

Thanks to the Wisconsin Department of Public Instruction's School Nutrition Team for their guidance in promoting the Summer EBT program to schools.

2025-2026 School Immunization Requirements

Changes to Wisconsin's child care and school-required immunizations will improve protection for children across the state by protecting them against vaccine-preventable illnesses, including meningitis and chickenpox.

Changes include:

Adding meningococcal (MenACWY-containing) vaccine to the requirements for students entering 7th grade, and a booster dose for eligible students entering 12th grade.

Parent report of chickenpox disease is no longer acceptable for exemption from the varicella (chickenpox) vaccine requirement. Children must have a diagnosis of chickenpox from a qualified health care provider (M.D., D.O., N.P., or P.A.) to be exempt from this requirement, however existing exemption options still apply. At this time, children whose immunization record indicates a history of chickenpox (such as by parent report) are not affected.

What has not changed?

The updated requirements leave in place the already established list of required vaccinations.

In addition, the existing exemption options are still available. There is no requirement for seasonal flu vaccination or COVID-19 vaccination.

2025-2026 School Immunization Requirements

For entry to kindergarten through seventh grades students need:

- 4 doses of polio vaccine
- 3 doses of hepatitis B
- 4 doses of DTaP/DTP/DT/TD
- 2 doses of varicella (chickenpox)*
- 2 doses of MMR
- 1 Tdap at seventh grade
- 1 MenACWY-containing vaccine at seventh grade

For entry to 12th grade

- 1 MenACWY-containing booster (2nd dose in series)
