MAT 1313, or higher	Natural Science 7 hours
Natural Science with Lab (8 hours)	Math 9 hours
Any BIO *BIO 1113/1111 & BIO 1123/1121 recommended	
Social or Behavioral Science (6 hours)	
HIS 1113, 1123, 1163, 1173, 2213, 2223	
Computer Applications (3 hours)	
CSC 1123 or higher	
First Year Experience (1 hour)	
LLS 1311 * This course is required for graduation	

Test Scores for typical for transfer: Minimum requirement on one of the following: Praxis CORE (Reading: 156, Writing: 162, Math: 130), OR ACT (21 overall composite)

64 hours

Students who pursue a Bachelors degree in Elementary Education tailor their degree to their interests by choosing two concentration areas. Students may choose from the subjects of English, math, science, social studies, fine arts, foreign language and/or computer science.

Concentration Areas: You must complete two concentration areas, each requiring at least 1 hour. Courses from core and general education areas can count towards these concentrations. Upon completion of both concentrations, the following certifications are available: English (Grades 7-12), Social Studies (Grades 7-12), Science (Grades 7-8), and Math (Grades 7-8).

Beyond the courses listed, students must complete the remaining degree requirements as prescribed by the curriculum in the catalog of their intended transfer university.
