

## MEET THE SACRED HEART GREENWICH

# Student *Success* Team

**Mrs. Kim Sapone**

*Director of Student Success K-12*

Under the leadership of Mrs. Kim Sapone, Director of Student Success K-12, the Student Success Initiative has transformed into a dynamic resource for academic enrichment and support. Mrs. Sapone leads a team of Certified Learning and Math Specialists who work closely with our curricular experts and teachers in the classrooms, as well as guiding professional development to ensure that faculty members have the latest research-based strategies to support all learners. Through her efforts, she fosters a collaborative, growth-driven environment that empowers students and teachers through training in approaches like Orton-Gillingham for Lower and Middle School educators and Universal Design for Learning for Upper School faculty.
