

What is CTE?

Career & Technical Education (**CTE**) programs support local middle and high school programs, from 7th-12th grade, which provide 21st-century, academic and technical skills for all students.

Career and Technical Education is a planned program of courses and learning experiences that begin with the exploration of career options, supports basic academic and life skills, and enables achievement of high academic standards, leadership, options for high skill, high wage employment preparation, and advanced and continuing education.

Auburn School District offers over **150 CTE Courses** across **6 CTE Program Areas**, with more than **50 CTE Career Pathways** to explore and gain career ready advanced skills.
