

## ECS Communications

*It is our aim to provide parents with the information you need to keep you informed and connected to the ECS community. These are some of the ways that ECS communicates to parents throughout the school year.*

### **Weekly E-Newsletter**

*Eagle View newsletter every Thursday during the school year at 4:00 p.m.*

It contains news, updates and campus-specific Week at a Glance links with a calendar of the coming week. If you do not receive this starting Thursday, August 7, check your junk folder and enable ECS as an accepted sender to your email account. If that does not work, please email Melissa Duggan at [mduggan@ecseagles.com](mailto:mduggan@ecseagles.com).

### **Website: [ecseagles.com](http://ecseagles.com)**

Most items parents need to know are found on the Parents page. Go to [ecseagles.com](http://ecseagles.com), click "Menu," then click the "Parents" button at the top. You do not need to log in to view this page with important information. Scroll down to the campus drop-down menus for more information.

### **ECS Eagles App**

This app is designed to be a one-stop shop to provide the information you need at the click of a button! It also contains a Groups feature so that grades, classes and teams can stay in touch! Allow notifications so you won't miss a message from your child's class or team. Download the free app here:

For iPhone:

For Android:

### **ECS Social Media**

Follow ECS on Facebook, Instagram, Twitter, YouTube, LinkedIn and TikTok for daily news concerning the ECS community. Facebook, Instagram, Twitter and YouTube also have Athletics accounts, so follow those too! *We would love for you to tag ECS on your story or post. We may share it to the school account! Or send us photos at [communications@ecseagles.com](mailto:communications@ecseagles.com)*

### **Emails**

Occasionally, ECS will communicate through email in addition to the weekly Eagle View newsletter. Make sure you enable ECS as a sender to your account so that emails from ECS do not go to your junk folder.

### **Texts**

Important information including school closures will be communicated via text message as well as email.

### **Equip Podcast**

Don't miss members of our community sharing about all things ECS, including Christian worldview and parenting topics. You can access earlier episodes by searching ECS Equip wherever you get your podcasts. Listen to recent episodes here: [ecseagles.com/discipleship/equip](http://ecseagles.com/discipleship/equip)
