

Tomah Middle School

April 2025 Newsletter

Dear Parents/Guardians:

Spring is finally here, and even the weather is starting to cooperate...hopefully! As we enter the fourth quarter, we continue to plan and provide different opportunities for your children. Be on the lookout for information regarding upcoming team field trips and other exciting grade-level events happening as we approach the end-of-the school year.

Course Registration for 2025-2026

The 7th and 8th grade course registration for the 2025-2026 school year will open this month. Families will receive specific emails with details closer to the registration dates, so please watch for those important communications.

Forward Testing & Family Support

Forward Testing began in March and will continue through April. We are incredibly proud of the focus and hard work our students have already demonstrated during ELA testing. Families can support their students during testing by ensuring they:

- Get a good night's sleep before testing days
- Eat a healthy breakfast
- Arrive at school on time and ready to do their best
- Charge their Chromebook each night so it is ready for testing. Your encouragement and support at home make a significant impact on your child's confidence and performance.

Finishing the Year Strong: Attendance Matters!

As we near the end of the school year, it is crucial for students to stay engaged and attend school regularly. Every day counts and finishing the year strong sets students up for success moving forward. We appreciate your partnership in reinforcing the importance of daily attendance.

Fall Rally – Mark Your Calendars!

Planning for next year is already underway! Please mark your calendar for our Fall Rally on Thursday, August 14th, from 11:00 AM to 5:00 PM. This event is a great opportunity for families to complete registration paperwork, get student schedules, take school pictures, get your locker and lock, pay Chromebook fines, and register for athletics and activities. Families must have their Infinite Campus account activated prior to the event to ensure a smooth process.

Celebrating Student Achievements

Tomah Middle School will be well represented at the Mississippi Valley Gifted and Talented Regional Spelling Bee on April 3rd. We are excited to share their accomplishments next month!

In addition, our 7th grade math classes celebrated **Pi (3.14) Day** with fun competitions, challenging students to recall as many digits of Pi as possible. As a highlight, winners had the opportunity to give their 7th grade teachers a “Pi” in the face at our Middle School Month Assembly!

Thank you for your continued support as we finish the school year strong and prepare for another successful year ahead. If you have any questions regarding your child's success at TMS, please do not hesitate to reach out to their teacher or our office.

Sincerely,

Amy Langner – Principal 608-374-7883

Amy King – Assistant Principal 608-374-7884

Jared Sasada – Dean of Students 608-374-7927

Counselors' Corner

April 2025

April is the Month of the Military Child Honoring Our Military-Connected Students

April is a special time to recognize and celebrate the resilience, strength, and sacrifices of military-connected children. At Tomah Middle School, we are proud to have 47 students from military families who bring unique experiences, perspectives, and a strong sense of adaptability to our school community.

Military children face frequent relocations, long separations from loved ones, and the challenges of adjusting to new schools and communities. Despite these obstacles, they demonstrate remarkable courage and perseverance. This month, we encourage everyone to show appreciation for these students by offering support, understanding, and encouragement.

To our military students: We see you, we appreciate you, and we are here to support you. Your strength is not going unnoticed, and we are grateful for the positive impact you have on our school.

Thank you to our military families for your service and dedication.
Happy Month of the Military Child!
