SUBJECT: 2025-26 Student Fee Schedule

DATE: August 5, 2025

TYPE: Action Required

Board Policy 3520 requires that staff submit an annual fee report to the board for the coming year. Attached is a student fee schedule for fiscal year 2025-26. Meal prices for the coming year are a separate action item for the board.

The student fee schedule was revised to reflect the following changes compared to last year:

- Elementary yearbooks increased \$1-2 to \$15-20, depending on options selected
- Credit card processing fee increased 20 cents to \$1.70 per transaction
- National Honor Society dues were consolidated to one price at \$25
- Science team fee was removed
- Technology class fees are project dependent

Facility use fees are currently being evaluated for a possible increase in rates. Staff will provide a recommendation to the board for this fee schedule at a future meeting.

Recommendation: It is recommended that the Board approve the attached student fee schedule for the 2025-26 fiscal year.

Every student is empowered to learn in an inclusive setting
and is prepared for the future of their choice
