TO: Board of Directors

FROM: Ruth Floyd, Executive Director of Business Services

SUBJECT: 2025-26 Meal Prices

DATE: August 5, 2025

TYPE: Action Required

Board Policy 3520 requires that the board approve fees for the coming year. Attached are the proposed meal prices for fiscal year 2025-26.

The National School Lunch Program (NSLP) includes federal and state revenues, as well as family paid meals, unless the school or family qualifies for free or reduced prices. To be part of the program, NSLP requires that districts annually complete a Paid Lunch Equity Tool.

The Paid Lunch Equity Tool indicates an increase in prices. For this reason, and due to overall program cost increases, staff recommend a 25 cent increase in secondary student lunch prices and elementary student breakfast prices.

Recommendation: It is recommended that the Board approve the attached meal prices for the 2025-26 fiscal year, reflecting a 25 cent increase in secondary student lunch prices and elementary student breakfast prices.
