

# ST. JOHN BOSCO HIGH SCHOOL

## Bring Your Own Device (BYOD) Program

Just like most universities, our BYOD model allows students to use the technology they're most comfortable with while giving families the freedom to choose a device that fits their needs and budget.

	Windows Laptop/Netbook	Apple MacBook	10" Android Tablet	10" Windows Tablet	iPad or iPad Mini
Minimum Storage Capacity	500 GB hard drive	500 GB hard drive	32 GB	64 GB	32 GB
Operating System	Windows 7 or higher	iOS 10.10 or higher	Android 5.1 or higher	Windows 8.0 or higher	iOS 8.3 or higher
Minimum Battery Life	6 hours	6 hours	6 hours	6 hours	6 hours
Required Accessories	N/A	N/A	External keyboard	External keyboard	External keyboard

- At minimum, students must have a device that can access the internet. Other applications may be required for specific courses, including (but not limited to) word processing, presentation and spreadsheet applications compatible with MS Word, PowerPoint and Excel.
- There are specific laptop requirements for Animation and specific calculator requirements for certain math and science courses. Please refer to the class documentation for those specifications.
