provide supplies for 2,000 students

Partners unite to support students with supplies, health checks, and fun

Families from across Jackson gathered Saturday at the JCM Field House for a Back to School Supply Giveaway and Cookout, hosted by the Theta Iota Chapter of Omega Psi Phi Fraternity, Inc., in partnership with Jackson-Madison County Schools, Wellpoint Tennessee, Jackson Parks and Rec, and A Step Ahead. The free event served K-8 students and featured school supplies, health checks, vaccinations, and

immunizations in collaboration with the Madison Co. Health Dept. Approximately 2,000 backpacks were provided for students in attendance. Students enjoyed rock climbing, face painting, a gaming truck, and a community cookout! This annual event highlights strong community partnerships that support students through wellness, family engagement, and our Leap Up for Literacy campaign. Oh what a time!

La comunidad proporciona útiles escolares a 2,000 estudiantes

Familias de todo Jackson se reunieron el sábado en el JCM Field House para una Entrega de Útiles Escolares y una Parrillada, organizada por el Capítulo Theta Iota de la Fraternidad Omega Psi Phi, Inc., en colaboración con las Escuelas del Condado de Jackson-Madison, Wellpoint Tennessee, Parques y Recreación de Jackson y A Step Ahead. El evento gratuito atendió a estudiantes de kínder a octavo grado e incluyó útiles escolares, chequeos médicos, vacunas e inmunizaciones en colaboración con el

Departamento de Salud del Condado de Madison. Se entregaron aproximadamente 2,000 mochilas a los estudiantes asistentes. Los estudiantes disfrutaron de escalada en roca, pintura facial, un camión de videojuegos y una parrillada comunitaria. Este evento anual destaca las sólidas alianzas comunitarias que apoyan a los estudiantes a través del bienestar, la participación familiar y nuestra campaña "Leap Up for Literacy". **¡Qué momento tan especial!**
