***DISCLOSURE OF CONDUCT RECORDS***

Brookstone School will, when requested on the institution's application, report student conduct records of serious disciplinary violations, suspension, and dismissal.

## ABOUT BROOKSTONE

Brookstone School was founded in 1951 as an independent, coeducational college preparatory day school. The campus is in a college-like setting located on 100 acres in northwest Columbus GA, 80 miles south of Atlanta. Brookstone has an enrollment of 809 students in 3k through 12 grades. The Upper School (ninth through twelfth grades) has 295 students and the Class of 2025 totals 70 students. Brookstone is accredited by the Southern Association of Independent Schools, Southern Association of Colleges and Schools, National Association for College Admission Counseling (NACAC), Southern Association of College Admission Counseling (SACAC), The College Board, National Association of Independent Schools (NAIS), Georgia Independent School Association (GISA), The Cum Laude Society, and the National Honor Society.

## MISSION STATEMENT

Brookstone School, a college preparatory institution founded in the Judeo-Christian ethic and committed to academic excellence, endeavors to build in its students the core values of loyalty, courage, wisdom, honor, service, respect, and leadership.

## CORE VALUES

Brookstone's core values – loyalty, courage, wisdom, honor, service, respect, and leadership – guide the educational program and daily interactions among students and adults. With a highly developed and intentional focus on servant leadership and character development, Brookstone prepares its students for lives of engagement and service to others.

## HONOR CODE

A standard by which our lives are judged, our respect is earned and our work is validated. Brookstone holds a yearly honor assembly where each student pledges his honor. When a student pledges his/her honor on any assignment, this word is a guarantee of the originality and integrity of the work.

## BEYOND THE CLASSROOM

- There are 29 athletic teams in the Upper School and 85% of Brookstone students play at least one sport.
- Brookstone offers an extensive program in visual arts, music and theater.

## THE PREFECT SYSTEM

Brookstone Schools' primary leadership program. The Head and Deputy Prefects are outstanding seniors who are nominated or self-nominated and then selected by a faculty review board for their high character and exceptional integrity, leadership within and outside of the classroom, and commitment to the mission and core values of the school. Students may also serve in leadership positions as committee members on any of the Prefect committees under the leadership of the prefect and a faculty member.

## SERVANT LEADERSHIP AND BLANCHARD LEADERSHIP INSTITUTE

Brookstone School instills the values of servant leadership in every student through meaningful service experiences and intentional leadership development. Whether participating in all-school service days, engaging in volunteering opportunities through clubs and athletics, or serving through community projects, students learn to impact both local and global communities. This mission is deepened through the Blanchard Leadership Institute (BLI), a schoolwide initiative rooted in human development research through a partnership with The Developmental Edge and their Harvard colleagues, that helps students, faculty, and staff grow as deliberately developmental individuals. BLI empowers students to lead and serve with purpose, guiding them through tools like the Developmental Sprint—an exercise that strengthens self-awareness and fosters Developmental Intelligence.

## ADVANCED PLACEMENT

Brookstone School offers 9 Honor courses and 22 Advanced Placement courses. Students may only take AP courses after being accepted through an application process, which includes prior course performance, test scores and teacher approval. Students enrolled in Advanced Placement courses must take the AP Exam. In 2025, 75 students received AP Scholar recognition: 44 students as AP Scholars, 7 students as AP Scholars with Honors, and 24 students as AP Scholars with Distinction.

## LINK CREW

Link Crew is a yearlong freshman program where selected members of the junior and senior classes act as positive role models to allow freshmen to discover what it takes to be successful both academically and socially. Link Crew Leaders begin their term of service by training for and leading Freshman Orientation before the start of school, then attending the three-day Freshman Retreat whereby they act as counselors and mentors to their assigned freshman homerooms. Link Crew Leaders continue their work by meeting monthly with the freshmen and overseeing their social and emotional needs through team building exercises.

## CORE MENTORING PROGRAM

Launching in the 2025–2026 school year, is designed to empower senior students to serve as peer leaders in our small group mentoring initiative. CORE, an acronym for Community, Ownership, Responsibility, and Empowerment, aims to cultivate a culture that reflects and reinforces Brookstone's foundational values: wisdom, honor, courage, loyalty, leadership, service, and respect. Through intentional relationships and meaningful leadership opportunities, the CORE program seeks to strengthen our community and inspire students to live out these values in daily life.

## THE GRADING SYSTEM

Two 18-week semesters with examinations at the end of each semester make up the academic calendar. One averaged final grade is shown on the transcript. Brookstone uses a weighted academic GPA; Honor courses receive a 0.5 addition and AP Courses receive a 1.0 addition. Due to the small size of our senior classes, Brookstone does not provide a class rank.

## GRADUATION REQUIREMENTS & GPA EQUIVALENCY

The minimum program of study leading to graduation includes 22.5 credits. Seniors are required to participate in and complete all requirements for the Deliberate Life Program, which includes research, shadowing, and a presentation.
