Immunization Policy Effective as of July 2025

Pennsylvania Department of Health requires immunizations for all students in Grades 9-12. This law mandates that every student in Grades 9-12 be immunized on the first day of school. Your student cannot attend school without the required immunizations*.

Note a second dose of meningococcal conjugate vaccine is required at age 16 or entry into 12th Grade.

***ONLY** medical exemptions will be granted when signed by the family medical provider. **No philosophical or religious exemptions will be accepted.**
