5th Grade Elementary Teacher

Immediate Opening for 2025-2026

Boca Prep International School is seeking a 5th Grade Teacher to join our team. The ideal candidate should be someone with a passion for elementary education, while promoting the development of young people to contribute proactively to the ongoing work towards a better world.

Founded in 1997, Boca Prep has been providing a student-centered, college-preparatory, International Baccalaureate (IB) education for students in preschool through 12th grade as an independent school. The school was IB authorized in 2009 and became an IB World School in 2016, offering all three programs of the International Baccalaureate, as well as extra-curricular activities, community service, performance programs, and the performing arts that are all emphasized alongside the highest expectations for academic engagement and attainment. With over 50 countries represented in our student body, Boca Prep has developed its own community with an international perspective. With small class sizes and an experienced and caring faculty, we help develop students to become lifelong learners and global citizens.

Boca Prep is an International Education Systems (IES) school. Students and faculty from IES schools are members of a worldwide network of international schools that work together, share expertise, and offer cultural and linguistic exchanges. IES schools focus on the individual student through small classes, mentoring, and a system of personalized learning. IES schools stress internationalism, whether through IB programmes or national programmes that include an emphasis on internationalism, privilege language learning as a key skill in a globalized world, promote academic rigor, stress the development of character, self-discipline, and learning how to learn, and are flexible about the distinctive needs of the different societies and communities which they serve.

Key Responsibilities:

- Plan and implement engaging lessons aligned with the school's mission and educational philosophy.
- Use a variety of instructional strategies to meet the needs of diverse learners.
- Provide differentiated instruction to all students to maximize learning outcomes.
- Implement the IB Approach to Transdisciplinary learning.
- Modify instructional plans and materials to meet individual student needs by analyzing data.
- Demonstrate knowledge of educational research, trends and best practices.

- Integrate technology and experiential learning into daily instruction.
- Foster a safe, respectful, and nurturing classroom environment.
- Assess and monitor student progress through formative and summative assessments.
- Communicate regularly with parents and guardians about student development and learning.
- Collaborate with fellow teachers, specialists, and administrators to enhance instructional practices.
- Participate in faculty meetings, professional development, and school-wide events.
- Uphold and model the school's core values and community expectations.

Qualifications:

- Bachelor's degree in Elementary Education or a related field (Master's preferred).
- Valid Florida teaching certificate or ability to obtain certification.
- Prior experience teaching in an independent or private school setting preferred.
- Prior experience in an International Baccalaureate school preferred.
- Strong classroom management and communication skills.
- A deep understanding of child development and differentiated instruction.
- Enthusiasm for working with elementary-aged children and collaborating with colleagues.
- Commitment to continuous professional growth and development.
