Subject: Google Workspace for Education License
Date: August 5, 2025
Type: Action Required

This memo serves to recommend the purchase of Google Workspace for Education Plus - 3 Year Annual Pay from CDW, as opposed to the standard annual plan. After careful consideration of the features, benefits, and long-term financial implications, we believe the multi-year option presents the most advantageous solution for our district.

Our district is currently utilizing Google Workspace for Education Plus. This tier provides significant enhancements that greatly benefit our students, educators, and administrative staff, including advanced security features, expanded storage, enhanced analytics, and premium teaching and learning tools such as originality reports, advanced video conferencing capabilities, and interactive class features.

Google Workspace for Education Plus has become an indispensable tool across our district, deeply integrated into our daily operations and learning processes. Its comprehensive suite of applications supports a wide range of activities including Teaching & Learning, Collaboration & Communication, Device and User Administration, and Data Security.

Recommendation:

We recommend the board move to approve the purchase of the 3-Year Annual Pay Plan for Google Workspace for Education Plus Licenses with CDW.
