BTA Student Orientation Handbook

This handbook consists of requirements for students placed in Barry Tatum Academy Alternative School. The handbook will be shared on our BTA school website and a hard copy shall be offered to the parents and student, at the time of orientation. Additional copies are available upon request. All State and Federal laws, rules, regulations, as well as requirements per the Wilson County Schools Student Code of Conduct, etc. will remain in effect while the student is enrolled at BTA.

BTA Alternative School is a short-term intervention program designed to provide educational services outside of the regular school program, for students in grades 4-12, who have been suspended or expelled, pursuant to the Wilson County Schools Code of Conduct. BTA Alternative School operates pursuant to Wilson County Schools Board Policy 6.319, Tennessee State Board of Education Rule 0520-01-02-.09 and State Board Policy 2.302.

Principal's Message

Dear BTA Students and Families,

Barry Tatum Academy is a unique setting, in comparison to the traditional school setting, from which you were remanded from. Our teachers and staff have expectations that adhere to the BTA policies and procedures and they consistently hold students accountable for their actions. Although the policies are strict, they are put in place, in order to be supportive and help guide students to be successful. As a BTA student, our primary focus is for you to develop self-discipline, self-control, and restraint. Once you have achieved your required total points, our intent is for you to return to your school of zone, where you are successfully able to graduate. If you have questions, concerns or you are ever in need of assistance, please do not hesitate to contact me or a member of my administrative team.

Principal,

Mr. Shaun Caven

Admission

BTA school hours are 7:30am-2:30pm.

Students are remanded to the alternative school upon violating the Wilson County Schools Student Code of Conduct. Students who commit a zero tolerance offense will be expelled for a period of no less than one (1) calendar year. The Director of Schools may modify the expulsion to allow a student to attend alternative school, upon receiving a written request for an appeal, within 5 days from the date of the zero-tolerance offense. The school administrator who remanded the student, at the student's school of zone, will explain the appeal process. Once the remanding school administrator has determined an alternative school placement, he or she will report the remand, to the alternative school principal or designee, and arrange an orientation meeting appointment. It is the student's parent/guardian responsibility to contact BTA to schedule the orientation.

The student, as well as a parent/guardian are required to attend a scheduled orientation meeting at BTA. If the student does not attend orientation on the following school day after the remandment has occurred, each daily absence will be recorded in Skyward as unexcused. Unexcused absences will continue to accumulate until the student completes their orientation and begins attending BTA. This procedure is in place, regardless if the student and parent/guardian have filed an appeal. Students that have filed an appeal, must still attend an orientation and begin attending BTA, leading up to the appeal hearing. Five (5) unexcused absences will lead to truancy tiered intervention proceedings.

Students with a 504 plan or IEP will be remanded to BTA following all required procedural safeguard and IEP/504 team procedures. The case manager at the student's school of zone, will coordinate all required IEP meetings, and include appropriate IEP team members such as the WCS Exceptional Education district level personnel and alternative school personnel.

BTA POINT SYSTEM

Students are remanded to the alternative school upon violating the Wilson County Schools Student Code of Conduct. The Director of Schools for Wilson County Schools is the only individual who may overturn or alter the remandment. Students are assigned to Barry Tatum Academy Alternative School for a specific number of "points" that are earned on a daily basis based on the following:

Students receive a weekly point sheet, where they may earn a maximum of 100 points per day. Points are recorded on the sheet daily and are required to be reviewed and signed by a parent/guardian each day. All students are responsible for bringing their point sheet to school and presenting it to their homeroom teacher by 7:30 a.m. daily. Point sheets that are not presented in homeroom by 7:30 a.m., will result in the student receiving a point deduction. A student must be at school to earn points and bonus points are prohibited. Points are not earned during holidays, breaks, or when a student is absent. The only exception is due to inclement weather days, determined by the district. Students will earn their points for inclement weather days.

If a student's point sheet is not returned to school, the student will forfeit all points earned from the previous day. If the point sheet is returned unsigned, there will be a 50 point deduction from the previous day's point total. Point deductions that are made during the day, will include a brief description of the incident and initials of the faculty member who deducted the points. Students are not to become argumentative when points have been deducted. Arguing with staff members will result in additional points being deducted. Students who consistently fail to return their point sheet or those that fail to return it signed, may potentially receive additional disciplinary action.

Students who become disruptive to a class will be removed, points will be lost, and further discipline will be enforced by BTA Administrators. Any faculty or staff member may take points as he/she sees fit, in accordance with the BTA policies and point deduction system.

Students who commit a zero-tolerance offense, while at BTA, will be expelled for a period of no less than one (1) calendar year. The Director of Schools may modify the expulsion, to allow a student to remain at BTA, upon receiving a written request for an appeal, within 5 days from the date of the zero- tolerance offense. The remanding school administrator at BTA will explain the appeal process.

Points will be lost for not attending a full school day

If a student is tardy or dismisses early, due to a doctor's appointment or court, the absence will be excused with a doctor's note or note from court. However, the student will not earn points during the absence, even if the absence is excused.

Tardy to school:	(7:31 a.m.-9:00 a.m.) = -25 pts	(9:01 a.m.-12:00 p.m.) = -50pts	(after 12:01 p.m.) = -75pts
Early dismissal:	(Before 11:00 a.m.) = -75 pts.	(11:01a.m.-12:30 p.m.) = -50pts	(12:31 p.m.-2:29 p.m.) = -25pts

Points will be lost for not adhering to BTA school behavior expectations

<p>Loss of 25 points for each infraction</p> <p>*This list is a general overview of infractions students may lose points for, but does not include every potential infraction.</p>	<ul style="list-style-type: none"> • Not compliant with dress code (this includes the student's shirt remaining tucked in at all times and pants not sagging) • Being Disrespectful • Profanity • Failure to follow directions • Writing on or altering the point sheet • Leaving class without permission from a BTA staff member • Bringing an inappropriate item to school • Failure to raise hand • Not following hallway rules • Lying/Manipulation • Student falling asleep, lying head down, or propping head (see below) <ul style="list-style-type: none"> ◦ Students that sleep during the school day will lose 25 points for each infraction. If a student loses points, three times in one school day, the student may be suspended.

Academic Information

Questions regarding courses, electives, or a student's schedule should be directed to Laura Cromer, BTA School Counselor, cromerl@wcschools.com. BTA follows the Wilson County Schools district calendar. BTA is not able to offer the variety of courses and electives that are available at the student's school of zone. Therefore, BTA's administration maintains the right to alter student schedules, in the best interest of the student. Due to guidelines set by the state, the alternative school only has the ability to offer certain elective courses. If an elective is not offered at BTA, efforts will be made to substitute these classes with electives that are offered at the alternative school. In some cases, if the course is not offered at BTA, the credit will be forfeited and replaced with an alternate course.

Seniors: The primary goal for a senior placed in the alternative school is to ensure that all graduation requirements are met. Students placed at the alternative school, through the end of the school year, are not eligible to participate in graduation ceremonies, unless approved by the Director of Schools, pursuant to Board Policy 4.607. Students will be notified by their school of zone when they are eligible to pick up their diploma, transcript, and other documents.

Dual Enrollment/TCAT: Students that are enrolled in programs, such as Dual Enrollment, TCAT, etc. must attend BTA at all times, when their Dual Enrollment or TCAT course is not in session.

Students will earn grades in the alternative school, in the same manner, as in the regular classroom. All grades earned, while at BTA, will be averaged with existing grades earned, while attending the school of zone to determine final credit. Final grades will be sent to the school of zone in a timely manner on a form provided by the alternative school.

School Campuses

BTA students are prohibited from being on a Wilson County Schools campus or event associated with Wilson County Schools. If a student is found to be on a Wilson County Schools campus, while remanded to BTA, additional disciplinary action will be taken. This may result in additional points being added to the student's remandment at BTA. Students may also be charged with trespassing from law enforcement.

Pursuant to T.C.A. 49-6-3401 and established Wilson County Board of Education policies, students remanded to BTA are **NOT** allowed to return to their school of zone or **ANY** Wilson County School for **ANY** reason during their placement at BTA during their suspension, expulsion, or remandment. Remanded students are permitted to attend BTA during regular school days, but are not permitted to loiter or appear on any school property or at any school function home or away.

BTA students may not participate in or attend any Wilson County School athletic events or extracurricular activities during their expulsion, suspension, or remandment, unless specific permission has been sought from the Director of Schools for extenuating circumstances.

The following exceptions are made with permission from the BTA Principal and school of zone Principal:

- A church service that is held on school property where the student would need permission from the BTA principal as well as the building principal where the service is held.
- Specific events such as the ACT exam or mandatory TN Promise meetings at the school of zone with written permission from the school principal. Requests for permission to attend specific events should be made to the BTA Principal to forward to the appropriate school principal.

The Wilson County Schools website, www.wcschools.com provides information regarding all county policies and procedures. The Student Packet and the Code of Conduct can be found on the website.

Visitors Code of Conduct

Pursuant to Public Acts of 2024, Chapter No. 810 Each local board of education and public charter school governing body shall adopt a comprehensive code of conduct for each school under the authority of the local board of education or public charter school governing body that describes the types of behavior expected from visitors entering on school grounds. If you have any questions about this Code of Conduct, please refer to the WCS Board Policies located www.wcschools.com.

BTA Arrival/Dismissal and Parking

A Parent/Guardian is responsible for transporting students to and from BTA. Students may drive, walk, or bike to and from school with written permission from the parent/guardian. Any car parked on Wilson County Schools property is subject to search. BTA utilizes searches by the Wilson County Sheriff's Department.

Arrival Procedures

Students will be provided drop-off and pick-up instructions during the orientation meeting. Parking, drop-off and pick-up instructions must be strictly followed to protect student and staff safety.

Students are allowed to enter the building at 7:15am. Students must enter the building immediately upon arrival and may not return to their car once they enter the building. Late (tardy) students must check in through the front office. Driving privileges can be revoked by the administration for drivers who are habitually tardy to school or deemed to be reckless. In addition, all drivers may be charged by the School Resource Officer for failure to adhere to BTA traffic procedures.

Dismissal Procedures

Dismissal time is 2:30pm. Student names are called to exit the building starting at 2:30pm, students are to remain seated in homeroom until their name is called. All students must be picked up by 2:45pm. During the orientation appointment, parents will provide the alternative school staff with a list of adults who are permitted to pick up their child. No person will be allowed to pick up a student prior to dismissal except those designated on the list.

If a student is not picked up by 2:45, the parent/guardian will need to park and come in the office, with your state issued ID and pick up the student through Raptor. Students not picked up at the designated pick-up time may walk to the off-campus, with written permission from the student's parent/guardian, which will be required to be completed at the orientation meeting. The parent/guardian accepts all liability and responsibility for their student's safety for walking, riding a bike, riding with another driver, or for utilizing a rideshare service. Students that are not picked up by 3:00 will receive a 50 point deduction for the student's points for the day.

Student Drivers

Student drivers must have a valid driver's license to drive on campus. A copy of the student's driver's license, proof of auto insurance and registration must be submitted to the office, along with a \$20 parking pass fee. Failure to provide these required documents or not paying for a parking pass, will result in the student not being able to park on campus. All student drivers will be dismissed first at afternoon dismissal. Students that are picking up other students, including students that walk, must drive off campus to pick other students up.

Attendance Policies

The Wilson County School attendance policy applies to BTA and can be found at www.wcschools.com

All absences already accrued, prior to being remanded to BTA, will remain and count as part of the student's total attendance for the school year. (Students missing school due to the SDHA appeal will not lose points).

Per WCS policy, parents are allowed five parent notes per semester. All excuse notes, parents and doctors, must be submitted within three days of the absence. Doctor's notes will be verified by BTA personnel and parent notes are NOT to be written on point sheets. Work missed during an excused absence will be accepted. It is the student's responsibility to discuss make-up work with each of their individual teachers.

Environment

Visitors (parents/guardians) to students are prohibited, unless the parent/guardian has permission from BTA Administration. Any other approved visitation during school hours must be for the purpose of official school business only.

Students are NOT allowed to call home during the school day. If a student needs to make a call it will be done by an administrator or office staff at the discretion of an administrator. The school nurse or an administrator will determine if a student is allowed to leave school early for illness and will call the parent/guardian to pick them up.

Personal Items and Searches

Parents/Guardians may drop off student items through the school office. Students needing to take medication, during the school day, must complete the required Wilson County Schools forms and documents, provided by the school nurse when requested. The parent/guardian will bring the medication to and from school and must sign it in with the nurse. Our BTA school nurse is Debbie Harris. You may email her at harrisd@wcschools.com

BTA students are subject to a random search or other searches, in accordance with Wilson County Schools Policy 6.303. All students and visitors will enter BTA and be required to enter through a weapons detection system. If the weapons detector alerts administration, an additional search may be performed by administration or our BTA School Resource Officer. Any issues, during morning check-in, will be handled by the administration and the SRO (School Resource Officer) if necessary. All items brought in will be searched, and any materials found to be inappropriate will be confiscated and not returned to the student.

Students are not permitted to bring bags, of any kind, on campus; this includes backpacks, purses, lunch bags, etc.

Prohibited Items

Students are prohibited from bringing electronic devices to BTA. This includes, but is not limited to, cell phones, air pods, computers, ipad, tablets, etc. Students are also prohibited from bringing wallets, money, debit/credit cards, keys, jewelry, etc. Jewelry or jewelry accessories of any kind are prohibited. This includes; earrings, rings, bracelets, necklaces, belly rings, small clear facial piercings, watches or any item considered jewelry or an accessory by the BTA administration. Piercing spacers will be permitted. Acne patches, stickers and other facial items are prohibited. In addition, candy of any type is prohibited as well.

Student Lockers

All students are provided a locker number, from their homeroom teacher. Students may store permitted items, such as their jacket/coat, in their locker.

Technology and Inventory Items

Student chromebooks, chargers, textbooks, calculators, etc. are provided for students in each classroom at BTA. These items remain in the classroom and are not permitted to be taken home by students. If a student damages a BTA inventory item, the student will be responsible for paying for the item. Damaged inventory items may also result in the student receiving additional disciplinary action from administration and may be charged by the School Resource Officer as well.

In addition, when a student is remanded to BTA, the parent/guardian is responsible for returning the student's chromebook, charger, textbooks, as well as any other inventory items that belong to the remanding school of zone. BTA is not responsible for coordinating student inventory returns between other schools. Failure to return inventory items to BTA or other schools will result in the student having an obligation filed on their student account, access to Skyward being disabled, the student will not be able to receive new inventory items, and it may potentially result in a police report being filed as well.

Restrooms

Students have the opportunity to use the restroom, during designated times specified by BTA administration, throughout the school day. Restroom breaks will be supervised by a BTA employee. Students are not permitted to carry any items into the restroom, unless needed for personal hygiene. Excessive abuse or inappropriate behavior in the restroom may result in additional points being lost or potential disciplinary action. BTA students are permitted to bring feminine products to store in the restroom.

Students are expected to remain silent, while waiting in the restroom line, as well as while in the restroom. In addition, students are prohibited from touching other students during restroom breaks.

Students with a documented medical need, which requires or recommends additional restroom breaks, must provide current documentation from a physician. The documentation needs to be emailed to our BTA school nurse. Accommodations will be made for the students that have appropriate documentation. However, students that engage in excessive restroom breaks, that are not approved by administration or do not have the appropriate documentation from a physician, will not be permitted. Abusing restroom privileges may result in a loss of points or potential disciplinary action.

STUDENT ACCOMMODATION REQUESTS

Pursuant to the Public Acts of 2024, Chapter No. 832, an employee of Wilson County Schools shall not knowingly give false or misleading information to the parent of a student regarding the student's gender identity or the student's intention to transition to a gender that differs from the sex listed on the student's official birth certificate or birth certificate issued upon adoption, if the certificate of birth was issued at or near the time of the student's birth. If a student enrolled in Wilson County Schools requests an accommodation from an employee that is intended to affirm the student's gender identity, including a request that the student be addressed using a name that differs from the name assigned to the student on the student's registration forms or in the student's educational record, or that the student be addressed using a name that differs from the name assigned to the student on the student's school registration forms or in the student's educational record or that the student be addressed using a pronoun that does not correspond with the sex listed on the student's official birth certificate or certificate of birth issued upon adoption, if the certificate of birth was issued at or near the time of the student's birth, then the employee of Wilson County Schools shall report the student's request to a school administrator and the school administrator shall report the student's request to the student's parent.

Discipline and Dress Code

Pursuant to T.C.A. 49-6-3402 and locally established policies, students remanded to BTA Alternative School are required to follow the discipline policy established by the alternative school and Wilson County Student Code of Conduct. A student may be expelled from the alternative school for the duration of the student's original suspension or expulsion by BTA administrators if the student violates the rules of the alternative school, or the student is not benefiting from the student's assignment to alternative school, and all interventions available to help the student to succeed in the alternative school have been exhausted unsuccessfully. The alternative school provides a highly structured disciplined environment. Failure to follow behavioral expectations and established policies will result in an office referral that may result in further disciplinary action including expulsion from the Wilson County School system. Students with an IEP or 504 plan will be afforded all applicable procedural safeguards and disciplined according to all appropriate IEP/Section 504 guidelines and policies.

Any Category 5 offense, which occurs at BTA, will result in expulsion from Wilson County Schools, and may result in the student being charged or arrested by the School Resource Officer. Any discipline infraction, not specifically covered in this document, will be at the discretion of the administration, in accordance with the Wilson County Code of Conduct. Willful and persistent disobedience of our policies could result in Out of School Suspension, as well as other consequences determined by the Principal and the Director of Schools.

Dress Code

Students are expected to be in BTA dress code, prior to entering the exterior doors of the building. Students who arrive at school, out of uniform, will not be allowed entry and will be counted as an unexcused absence. Students who violate the dress code during the school day will be issued an office referral, which will result in further disciplinary action and loss of points. If a student is not compliant with dress code, the student's parent/guardian will be contacted. The parent/guardian must either bring appropriate clothing by 8:30 a.m. or further disciplinary action will be taken. BTA administration reserves the right to utilize principal discretion, regarding dress code.
