Superintendent's Message

Dr. J. Scott Smith

A Poem ...

SMCPS - We HEAR!

H - be here
E - be engaged
A - be approachable
R - be renewed

Approachable

Some people are so aloof
Unfriendly and quite rude
They'll put up a barrier
And be in a foul mood

Unkind people are a mess
Short tempered ones are bad
With a chip on their shoulders
Do they like being mad?

Whether they're impatient or
Too arrogant to touch
Unapproachable people
Are not liked very much

I'm glad you're approachable
That I can come to you
You're always available
I've seen what you can do

I can always count on you
For your help and advice
And you have exemplified
All that's considered nice

That is why I respect you
A friend who's always there
Nowadays, it's sad to say
People like you are rare

You're a diamond in the rough
A dream that has come true
More should be approachable
I need to be like you
