RETURNING HCS FAMILY TUITION BENEFIT: LOCK IN THE LOWEST RATE!

We value our Heights Christian Schools families and are excited to offer you an exclusive benefit for the 2025/2026 school year!

As a current HCS family, you automatically secure the lowest tuition rate available for next year.

- **Your tuition will increase by only 3%***—a minimal adjustment that ensures continued value for your investment.
 - * The 3% increase will be calculated based on the equivalent of your current tuition rate **before any discounts**. For example, if you are currently receiving a 25% discount, your new rate will reflect a 3% increase on the full tuition amount prior to the discount.

This means you *enjoy significant savings* compared to rates for incoming families! **Thank you** for continuing to be a part of the HCS community. Your ongoing partnership allows us to invest in your child’s education and growth while keeping costs as low as possible. *Tuition Assistance will also still be available for families that qualify. A separate application is required.*

Families not returning for 2025/2026 should submit an opt-out request by February 15, 2025. Opt-out details are available in your parent portal.
