200 SCHOOL STREET • PUTNAM, CT 06260

Request for Qualifications (RFQ)

Addendum No. 2
Issued July 30, 2025

State Project No. 115-TBD
Putnam River Trail Extension / East Coast Greenway

The purpose of this addendum is to provide responses to questions received:

Q.1. The RFQ states that personnel in responsible charge of the project must possess a valid Connecticut Professional Engineer (PE) license. Could you please clarify which specific roles this requirement applies to?

A.1 This requirement is meant to apply to the person who signs/stamps the plans.

Q.2. Is this project required to adhere to CTDOT guidelines and standards, given its funding through the Transportation Alternatives Program?

A.2 Yes.

Q.3. Will a dedicated liaison be assigned to this project by the Town of Putnam or any other involved agency to facilitate coordination and communication throughout its duration?

A.3 Yes, The Town will assign someone to be the day-to-day contact and the CTDOT has assigned their liaison consultant (VHB) to be the Department's day-to-day contact.
