District one91

Future Ready. Community Strong.

Students eligible for pay to ride transportation service are those public elementary students residing 1.0 mile or less from school and secondary students living less than 1.5 miles from school and therefore designated as not eligible for regular bus service as defined by School Board Policy.

- Bus service will be provided on a space available basis, that is with 65 (90% capacity) or fewer students assigned.
- For grades K-12 during the 2025-2026 school year, an annual fee of $295 per student will be required in advance for to and from school transportation services. Payment should be made payable to "ISD 191".
- Paying riders must use an established bus stop used by District 191 residents
- One way or part time transportation service is not available; however, a new student who enrolls after the start of the school year will pay only for the portion of the school year for which service is provided. ($1.74 per day)
- Pay to ride transportation fees are collected by Independent School District 191 prior to using bus services.

Transportation service is requested for the following students:
