

## **Medford Building Department – Guidance on Leaf Blower Ordinance Ch 38, article V of the Medford Ordinances**

### Criteria for Accepting Written Complaints of Gas Powered Leaf Blower Violations

- We need a clear photo of the actual alleged violation, i.e. pix of someone holding and operating a clearly identifiable gas-powered leaf blower.
- We need a clear photo of the vehicle associated with the alleged violation that shows a clear logo and contact information such as phone number or address.
- Clearly note the date of the violation.
- Clearly note the visible address of the location of the violation(s).
- Clear note the time of day of alleged violation.
- The Complaint must include name and contact info from Complainant; anonymous complaints may or may not be enforced, subject to the discretion of the Building Commissioner.
- The Final determination as to the disposition of a complaint shall rest fully with the Building Commissioner and shall be final.
- Warnings and fines shall be consistent with Medford Ordinances.
