

COMMUNITY SCHOOLS NEWSLETTER

JUNE 2025

SEELEY UNION SCHOOL DISTRICT

Before the school year ended, our local sheriffs visited our TK and Kindergarten students to teach important bike and car safety tips, and each child received a free helmet to help keep them safe. We've also launched ESL courses for our adult community, offering valuable language learning opportunities and support. In addition, our cafeteria is providing summer lunch distribution to help ensure our community stays nourished during the summer break.

HOLTVILLE UNIFIED SCHOOL DISTRICT

Finley Elementary celebrated Earth Day with Horizon's Afterschool Program, food service staff, and community partners by hosting garden-based nutrition activities, school meal tastings, and wellness resource tables for families. The event featured a lively performance by the school's Mariachi Club, creating a festive and culturally rich atmosphere.

Meanwhile, Holtville High School collaborated with Sabrina's Wish, a nonprofit providing free prom attire, with ASB leading a formalwear drive to support the initiative. Both events fostered community engagement, promoted health and well-being, and strengthened school partnerships.
