***\*All in red are currently unable to provide services on District property until further notice pending receipt and approval of required insurance documentation.***

**Note: These are the only food truck vendors that should be providing services on School District property. If you wish to be added, please contact the Somers Central School District Business Office at (914) 277-2410.**

**Additionally, all approved food truck vendors are required to execute a Food Truck Vendor Agreement with the contracting organization. A sample agreement can also be found on this website. Please contact the Business Office for a customized agreement.**
