

# Oakes Tornado Mobile Device Insurance

Tornado Mobile Device Insurance is a completely optional insurance available to families that wish to protect themselves from damage or replacement costs for their student's school-issued iPad. If you choose to opt out of Tornado Insurance, your student will leave their device with the home room teacher at the end of each day, unless you provide proof of private insurance on the device(s). Proof of insurance can simply be a letter or email from your agent stating that the laptop has a rider on it and/or is covered by said insurance. We do not need a copy of your homeowners/renter's insurance.

Tornado Mobile Device insurance covers 100% of all accidental damage, fire, flood, natural disasters, power issues or malfunctions, to your child's school-issued mobile device. This insurance will provide coverage on school grounds, at home, on the bus; really anywhere your child may travel. If one of these issues arises, an insured device would not be charged any additional repair fees for the 1<sup>st</sup> claim. Insurance does not cover loss, theft, malicious damage, or liquid damage to/on the mobile device. It does not cover accessories such as power supplies or cases. If multiple incidents occur, starting on the 2<sup>nd</sup> break a \$25 deductible will be required for repair costs. Insurance rates will be raised the following year due to multiple claims, see the AUA).

OPT-OUT (complete if you choose not to take the insurance program)
I understand that Tornado insurance is optional. I choose not to purchase this insurance at this time. I understand that if damage occurs to my child's school-issued mobile device, it will be my responsibility to pay 100% of all repair costs. (Replacement cost: \$329 for an 11 <sup>th</sup> generation iPad) I understand that by opting out of Tornado Insurance, my student will leave their device with the home room teacher at the end of each day, unless I provide proof of private insurance on the device(s).
